## COMMITTEES FOR BONDS SELECTED

Ten Proposals Calling for Civic Expenditures to Be Investigated

Members of the committee on committees of the Citizens' Bond committee, selected to pass upon civic matters, appointed members of the sub-committee at a meeting held today in the office of the Glendale Realty board, sixth floor of the Glendale Security building. The members of the committee on committees are: Peter Hansen, H. M. Butts, Charles Marshall, Alexander Mitchell and Rev. E. E. Ford.

The list of committees appointed today is made up of representatives of the various civic organizations and service clubs, named by each club at the suggestion of City Manager V. B. Stone.

**Committee Members**  
The list follows, the first named member of each committee being designated chairman.

1. Additional fire stations and equipment. W. L. Twining, A. R. Eastman and Owen C. Emery.
2. Modern fire alarm system. P. J. Haysden, R. W. Meeker and R. Belcher.
3. Police alarm system. This project combined with the preceding one, and members of that committee to investigate both.
4. Civic center and city hall expansion. Alexander Mitchell, H. M. Butts and Peter Hansen.
5. Bridges and washes. O. M. Newby, Rev. E. E. Ford and I. J. Hoover.
6. Enlarging water system and supply. Charles Marshall, William B. Pelley and W. H. Richards.
7. Auxiliary power plant for Glendale. Roy L. Kent, J. H. Randall and Lyman P. Clark.
8. Acquisition of city park. L. H. Wilson, R. Streit and Dr. E. H. Parker.
9. Modern disposal of garbage system. H. M. Bennett, R. M. Brown and W. A. Hall.
10. Founding municipal hospital. Dr. Floyd Thompson, Mrs. J. M. Woolsey and Frank Hoopes.

**Husband Left False Clue, Wife Declares**

LOS ANGELES, June 27.—Oliver Marshall Perrin, manager of a Pasadena furniture factory, today was accused in a cross-complaint for divorce, filed by his wife, Alice May Perrin, with having left her a note in Boston stating he was going to South America—but he came to Southern California instead. She alleges she was compelled to come here to defend his divorce action and asks \$150 monthly alimony.

**Police Hunt Woman's Bearded Assailant**

LOS ANGELES, June 27.—Police here searched today for a bearded man who attacked Edith M. Lindsay, telephone operator, on a lonely road last night.

## 12-Year-Old Boy Shoots His Father To Protect Mother

LOS ANGELES, June 27.—"If you don't let her alone, daddy, I'll shoot!" This was shouted by 12-year-old Patrick Martin, just before he shot and probably fatally wounded his father, Charles Martin, today, after the father is alleged to have attempted a forced reconciliation with the boy's mother. Martin paid no heed to his son's warning, and a moment later the lad fired. Martin fell to the floor with a bullet through the right lung, which, physicians at the Hermosa-Redondo hospital, where the wounded man was taken, say may prove fatal. Mrs. Martin took her son to the Hermosa police station, where she surrendered him. After cross-examining the pair, officers released the boy in his mother's custody pending Martin's death or recovery.

Martin, who is 58, is a well-known southern California advertising man.

## ASSERT NEED FOR MUNICIPAL PLANT

Local Kiwanis Members at Luncheon Show Approval Of Proposition

Members of the Glendale Kiwanis club, at the regular monthly business meeting held today noon at the Tuesday Afternoon clubhouse, decided the present light and power situation and spoke with feeling upon the possibility of a municipal electric plant for Glendale.

While no formal motion or vote was taken on the municipal light plant proposition, the majority of the members expressed their approval of such a step when W. A. Horn, president of the club, said that the subject of "Why should a city of the size of Glendale be at the mercy of other corporations?" Mr. Horn asked, "Today we are at their mercy, and there is no use to deny it. They can shut off our power without a moment's notice, if they want to, and from present indications, they might."

**Water Situation**  
The water used in Glendale is all pumped by electricity, and if the power is shut off or even further curtailed, it will mean that this city will face an unusual crisis, both from the standpoint of property loss and endangering human life. The reservoirs today, filled to capacity, would not supply the city with water for more than seven hours' normal use if the power were cut off.

"Human life is endangered in shutting off lights in hospitals. It may be your child, your wife or even yourself that might have to undergo an emergency operation in the period when there were no lights, when a matter of a few minutes mean life or death. We are at the mercy of a corporation, and we should not be. I say, put in an auxiliary plant. Raise the money by subscription bond if there is not enough funds in the city. William Reeves, formerly connected with the city government."

## TWO INJURED IN AUTO COLLISION

Frank H. Pilling's Machine Is Damaged, Owner and Mrs. H. A. Kent Hurt

Frank H. Pilling, secretary of the Glendale Credit association, and Mrs. H. A. Kent, wife of the credit manager of H. S. Webb & company, sustained minor injuries this morning when the car driven by Mr. Pilling collided with a truck of the Glendale Fireproof Storage company, driven by William H. Crumpler, at the intersection of Norton avenue and Glenwood road.

## POWER LACK TO DELAY U. S. MAIL

Shortage of Electricity to Throw Extra Tasks on Postoffice Force

Enforcement of the "dark period" nightly from 10 p. m. to 9 a. m., will mean serious curtailment in handling outbound mail from the Glendale postoffice. Postmaster D. Ripley Jackson declared today, "It will mean mail generally sent out at 8 a. m., 9 a. m., and 9:30 a. m., will not be ready until nearly noon, and will cause a delay of as high as six hours, Postmaster Jackson said.

"Our cancellation machine, through which all letters are run, is capable of canceling 1,000 letters a minute," Postmaster Jackson said. "It is electrically driven and there is no way we can use it without electrical current."

**Outgoing Mails**  
"The best a man with a hand cancellation stamp can do is 100 letters a minute, and it takes an expert to do that much, and keep it up for any length of time. I estimate it will take fifty men with hand stamps to do the work of the machine, and, of course, this is impossible."

"The bulk of local mail for out-of-town points is picked up late in the afternoons and nights, and early in the mornings. There is one mail sent out at 8 a. m. over the coast lines. Another dispatch is at 9 a. m. for northern points, and another morning dispatch is at 9:30 a. m., which goes to Los Angeles for eastern points.

"All three of these mails are heavy, but if the power is cut off the morning mail, until 9 a. m., it will be impossible to send all the mail on hand at these times. Without power to run the cancellation machine, it will mean we will have to use manual labor for this work, and it will be nearly noon before all the early pickups can be taken care of, and sacked for the trains."

**Mail Early and Often**  
"There is one way the public can help us, and that is to observe that often-cited postoffice department phrase—'Mail Early and Often.' Many business houses and offices are in the habit of putting their letters in mail boxes around 5 o'clock in the afternoon. Some do not mail until 6 o'clock and after. Others mail early in the morning, while there is a heavy amount of mail left in the boxes on street corners or dropped at the postoffice during all hours of the night."

**Delay Is Feared**  
"If business firms will get out the bulk of their letters early and drop them in boxes or at the postoffice between 12 noon and 1 p. m., it will be a great help, for we can run and let the cancellation machine in the afternoon, and not have such a big bulk on hand during the early morning hours."

"The postoffice force will do everything possible to get out-bound mail out as rapidly as possible, but right now it looks like a delay of at least six hours in handling this mail if the power is cut off at 10 p. m., and not turned on again until 9 a. m."

## Double Tragedy Ends Quarrel Over Journey

FRESNO, June 27.—The desire of Mrs. John W. McElroy to return to the old family home at Pendleton, Ore., caused a double tragedy here today in which she was slain by her husband, who then committed suicide.

Their 14-year-old son, James, nearly lost his life in a battle to prevent the father from shooting the mother with a shotgun. According to the boy, who was knocked unconscious by a blow from the butt of the shotgun with which McElroy, a blacksmith, shot his wife through the back, his parents quarreled all night over the desire of Mrs. McElroy to go back to Oregon.

**British Airman Again Resumes World Flight**

RANGOON, India, June 27.—Flight Commander A. Stuart MacLaren of the British royal air force, who is attempting a round-the-world flight in competition with three American aviators, left here today for Bangkok, Siam.

## Jinks Committee Approves Site for Picnic by Realtors

The Jinks committee of the Glendale Realty board today made a final inspection of the grounds at the new city park where they are to hold their annual picnic tomorrow afternoon, and found everything ready for the reception of the realtors and their guests.

Specific warning has been issued to all the members that they are to show up at the picnic in their old clothes, for anyone who comes dressed up is going to be made the target for fingers of scorn and slighting remarks, besides running the risk of having Sheriff J. M. Boland run him out of the park.

Prizes have been hung up for the winners in the various athletic events, and the owners of short pants are practicing strenuously for the golf putting contest that is one of the features of the bill.

Free coffee and lemonade on the grounds, but the guests are expected to bring their own picnic lunches.

## LEAGUE AND KLAN DELAY PLATFORM

Democrats Labor to Reach Agreement on Issues Menacing Party

NEW YORK, June 27.—The Democratic platform for the 1924 campaign was completed today save for the two great controversial issues—the Ku Klux Klan and the League of Nations' plank—after a second all-night session of the National convention's platform builders.

The two disputed planks will be considered again this afternoon by the committee on resolutions in secret session, but a final decision undoubtedly will be given in the end by the convention itself. The sub-committee of fourteen Democratic "master minds" who drafted most of the platform, met again this morning, in an effort to reach compromise.

**Bitter Fight Looms**  
The dispute over the Klan plank aroused more controversy than the league issues. The sub-committee was reported as standing ten to four against including the Klan's name in a denunciatory plank. The four more violent anti-Klanmen insisted upon an indictment of the Klan and threatened to carry their fight to the floor of the convention.

A small but determined minority kept the league an open issue. While a great majority of both committees favored a foreign affairs plank, gently pushing the issue into the background, this minority held out for a flat declaration in favor of immediate American adherence. The group was led by Newton D. Baker, former secretary of war.

## Leopold Involved In Jail Plot, Is Claim

CHICAGO, June 27.—Seven young prisoners, convicted as holdup men, were sent from the county jail here today to the prison at Pontiac and visitors were limited and closely watched, following discovery, according to a guard, of a plot to liberate by wholesale Cook county prisoners, including Nathan F. Leopold, Jr., who is said to have supplied the brains for the plot.

## Guard Fatally Shot In Payroll Robbery

NEW YORK, June 27.—A payroll of \$9,500 was stolen and one guard fatally wounded by bandits who held up an armored railroad car today and escaped. The guard, Joseph Carlin, was taken to a hospital in a dying condition. He was shot five times.

**Slayer of Two Pays Penalty on Gallows**

WALLA WALLA, WASH., June 27.—Ralph Walter, convicted murderer of Mr. and Mrs. Alfred Waldman, died on the gallows at the state penitentiary here today. The trap was sprung at 4:50 a. m. and he was pronounced dead six minutes later.

## CALL TRUCE AS FACTIONS CONTEST

Democrats Adjourn Until Tomorrow After 7 Hours Of Hectic Oratory

NEW YORK, June 27.—With sixteen names thrown into the presidential arena, the Democratic National convention adjourned at 5:55 o'clock this evening until 9:30 o'clock tomorrow morning when the delegates will again assemble to take up the hectic work of adopting a platform over which there is severe fighting and nominate a presidential candidate, over which there is more.

The adjournment was accomplished after seven hours of hectic oratory and was by mutual agreement between the McAdoo and anti-McAdoo forces.

**Platform Not Ready**  
At 5 o'clock a delegation came over from the convention to urge Cummings to get the platform ready by 9 o'clock tonight. In the delegation were Senators Harrison of Mississippi, temporary chairman, and Gerry of Rhode Island.

Cummings told Harrison: "Remember, am I promising, but I now hope to have the platform ready by 9 o'clock tonight."

The committee late this afternoon had approved all planks except those relating to the Ku Klux Klan and the League of Nations, Cummings announced.

**Four More Nominated**  
While the platform builders continued to wrestle with the League of Nations and the Ku Klux Klan, the Democratic national convention today made slow progress toward getting rid of all the necessary oratory that must precede balloting on these two main fights.

Four more names had been dropped into the garden hopper by 2:30 o'clock this afternoon—ex-Governor James M. Cox of Ohio, Governor Charles W. Bryan of Nebraska, Governor Frederick H. Brown of New Hampshire, and Governor George S. Silzer of New Jersey, with more to come.

**Boat for Silzer**  
Today's session was featured by enthusiastic demonstrations for these favorite sons, but there was nothing approaching the McAdoo or Smith demonstrations which preceded them earlier in the convention.

New Jersey put on a colorful show for Silzer. Hundreds of loyal Jerseyites followed the example of the Smith cohorts yesterday and slipped into the garden to whoop things up "for George." With songs and music they staked a thirty-minute show. They kept the delegates amused and entertained.

**Offered Support**  
Charges that three New York men had approached Representative Upshaw of Georgia, a vice-presidential candidate, and offered him the support of New York and other states if he would support Governor Alfred E. Smith of New York for the presidency were made by Phineas V. Stephens, chairman of Upshaw's campaign committee.

Stephens said "a prominent

## FIRE SPREADING AT SANTA CLARA

Wall of Flames Continues Advance In Central Portion of State

SAN FRANCISCO, June 27.—The worst forest and field fire seen in Central California since 1860 raged on today with unabated vigor as scores of fire fighters and hundreds of ranchers fled from the onrushing wall of flames which continued the advance through Santa Clara county and into portions of Stanislaus county over a fifteen-mile front. Thousands of cattle in the foothills in the vicinity of Mount Hamilton were reported to be in danger with hundreds reported by volunteer fire fighters as having already perished.

Lick observatory, which was saved yesterday by a fortunate turn of the wind, was definitely out of danger today, although watchers at the scientific institution were still able to note the progress of the blaze from their homes on Mount Hamilton.

## Protect People, Payrolls And Prosperity! Pleasures Should Not Halt Industries

Glendale last night had a taste of what it means to be at the absolute mercy of the Southern California Edison company, the corporation that provides the city with light and power. The "diet of darkness" lasted a half hour. Beginning tomorrow, all lights and power will be shut off, until further notice, from 10 p. m. until 9 a. m. This order will be effective every day. Before the summer is over, an even greater conservation may be demanded, officials say. All of which is a great argument for Glendale to get busy at once and install a plant that will remove the community from being entirely dependent upon the Edison company.

The suggestion in The Glendale Evening News last night that such a plant be secured met with instant approval throughout the city. Cutting of power means cutting of payrolls. Cutting of payrolls means "tight times." A municipally operated plant would be good insurance of good times. We know of no greater problem for the city officials, the Chamber of Commerce, the realtors and the civic organizations to take up than the establishment of such a plant.

It is all right, in normal times, to talk of other projects, but right now power—the very life of the community—is being cut off, payrolls will suffer and business generally hit—and hit hard. So, every thought should be directed toward solving the problem—and the solution is in the installation of our own plant.

Also, The Glendale Evening News believes that the city officials are using poor judgment in the hours for the power shut-off. We believe that the shut-off should come earlier in the night and the power released earlier in the morning. We are certain the people of this city are patriotic enough to sacrifice a few home and social comforts in order to keep the industries of the city protected. Slashed payrolls will not light up a home. Luxuries and pleasures must be sacrificed to keep men and women at work in our industries. Of what use is it for Glendale to invite new industries here if we cannot protect those we now have?

From facts and figures furnished us by the city's superintendent of plant and production, we are of the belief that a greater saving of power can be made if the shut-off time is fixed at 9 p. m. and the resumption time is set at 8 a. m.

Frankly, The Glendale Evening News believes that the city officials will be compelled to make a re-adjustment of the conservation hours. We believe that a more complete inquiry will show them that protection of industries must come first if we are to remain a prosperous people. Pleasures and luxuries will have to be sacrificed to keep our payrolls going.

## CONSUMPTION OF ELECTRICITY CUT

Street Cars, Lights, Phones Must Face Reduction After July 1st

LOS ANGELES, June 27.—In the campaign to conserve electric power made necessary by a shortage due to reduced water supply, Los Angeles and vicinity will be partially without transportation, lights and telephones after July 1.

Already the streets and beaches have thrown off their lights, even electric signs being dimmed.

**Offer P. E. Plants**  
Announcement was made this morning that the Pacific Electric has turned over two of its old steam electric generating plants to the Southern California Edison company to aid in meeting the power shortage.

The plants will have to be rehabilitated, having been out of service for ten years. They are located at Sixth and Central and at Vineyard. They are sufficient only for 10 per cent of the Pacific Electric load.

Edison company officials today stated that the Florence tunnel, tapping 4200 miles of watershed, will be completed by January 1 of next year, and this will replenish the waters of Huntington lake, which will be exhausted by September 1 at the present rate of power demand.

## Newcomer Deceived In Investment, Claim

LOS ANGELES, June 27.—Samuel Lathrop, a recent arrival in Southern California from Kanakake, Ill., has brought suit against Leon N. Katz and Marshal D. Moley for \$10,000 damages and costs, alleging in his complaint filed today that he was "sold" a third interest in a health resort near Hemet through deception. He claims there is neither mineral water on the property nor sufficient space for a golf course and that the property is not fitted for a health resort and hotel.

## PETITIONS TO BE OFFERED COUNCIL AT ONCE

Kiwanis Club In Action To Save Industries For Glendale

Petitions tending toward securing a municipal electric plant for Glendale were prepared for circulation this afternoon by a special emergency committee of the Glendale Kiwanis club, following the regular monthly business meeting. The petition will ask the City Council to take immediate steps to prepare specifications and prepare bonds for such a plant.

Members of the emergency committee, appointed by Dr. T. C. Young, acting president of the club, are: W. A. Horn, chairman; William H. Reeves, Chief of Police John D. Fraser, Max L. Green and M. D. Davis.

**Saving of Current**  
The members of the committee will recommend to the City Council that gasoline engines suitable for pumping water be secured and placed immediately, thus saving 25 per cent of the current now used by Glendale. It was pointed out that one-fourth of the power consumed here is for pumping water.

"The petitions will be placed in a number of stores and business offices throughout the city, and all citizens who favor a municipal electric plant, and desire to place Glendale where the city will not be at the mercy of a corporation, are asked to sign the petitions," Chairman Horn said after the meeting.

**Petition follows:**  
"We, the undersigned, citizens of Glendale, having been advised by our city officials that the Southern California Edison company, which furnishes our city with electrical power, has advised them that on account of certain conditions they will be unable to fulfill their contract under their charter from the state.

"And, Whereas, we understand that by this act the Southern California Edison company has violated the provisions of the charter granted to them by the state of California for the distribution of electric energy.

"And, Whereas, the citizens of Glendale having no assurance that the same conditions will not again occur, especially as the said Edison company has not made provision as should have been done to protect the citizens of Glendale against a condition of this kind, from which we can see no relief for at least six or eight months.

"We, therefore, petition your honorable body to immediately take steps to establish a municipal electric power plant which will give our citizens at all times

## SUMMER SCHOOL TO OPEN JULY 7

Course to Assist Backward  
Pupils Is Planned by  
Faculty Leader

**EAGLE ROCK, June 27.**—"Vac-  
ation School" will be in session  
here from July 7 to August 15,  
announces Principal C. W. Pres-  
ton of the Eagle Rock school,  
where instruction will be given,  
who states that the object of the  
course will not be to rush pupils  
through a half year's work, but to  
give those who failed this semes-  
ter an opportunity to make up  
their work; and to strengthen by  
a thorough review those who have  
been promoted. Morning sessions  
only will be held, from 8 to 12  
o'clock, with all eight grades in-  
cluded in the schedule.

Registration will open Monday  
morning July 7. Seven teachers  
will be on hand to conduct regis-  
tration and classes.  
**Gun Toter Guilty**  
E. John Schultz, ex-convict who  
was arrested several weeks ago in  
Eagle Rock for carrying a con-  
cealed weapon, pleaded guilty in  
police court and was sentenced to  
eight months' imprisonment. His  
offense constituted a felony.

Mrs. Robert Stewart, with her  
daughter, Ruth Markle, of Cham-  
paign, Kan., is the summer house  
guest of Mr. and Mrs. E. W.  
Thompson of Ellenwood drive.  
Mrs. Thompson and Mrs. Stewart  
are sisters.

**On Honolulu Trip**  
Mrs. W. J. Roach of 6429 Prime-  
rose avenue, Hollywood, formerly  
a resident of Eagle Rock, left for  
Honolulu June 21 with the Los  
Angeles Chamber of Commerce  
expedition. She will be away for  
a month.

Mr. and Mrs. J. C. Jacobs and  
son, Calvin, of San Bernardino,  
have been visiting with Mr. Jac-  
obs' father and mother, Mr. and  
Mrs. William D. Jacobs, of Royal  
drive.

**SPANISH SHAWLS**  
PARIS, June 27.—More and  
more it is being borne in upon  
us that Spain is a remarkable  
country. Take, for instance, the  
way in which an evening frock is  
now evolved from a Spanish shawl.  
Clothed in it, the lady looks as  
though she had flung the shawl  
about her just after coming from  
her bath.

## BOYS, GIRLS ARE BOWED IN GRIEF

Boost In Price of Ice Cream  
Sends Pang of Sorrow  
To Many Hearts

**BURBANK, June 27.**—Boys  
and girls broke down and sobbed  
bitterly when the action of the  
local Druggists' association, set-  
ting the price of ice cream sodas  
at 15 cents throughout the city,  
became known; and many a  
grown-up experienced a pang of  
regret at the passing of the 10-  
cent soda, even though its portion  
of ice cream had been meager.  
Standard prices on bulk ice  
cream, "pop" and "near beer"  
were also set. This action was  
taken by the association to cor-  
rect a situation that had become  
confusing. It was announced.

The representatives who were  
chosen to look out for the inter-  
ests of the confectionery men were  
V. J. Morris of the Kewpie con-  
fectioner; R. E. Hall, who leases  
the fountain in the Wilson-Welch  
drug store; and O. R. Ballard of  
the Chocolate Tavern, of which  
Mr. Lewis is the proprietor.

**Interest In Probe**  
The recent gathering at the  
City Hall of approximately 300  
people indicated the curiosity and  
interest shown in the police de-  
partment probe that has been  
started by the circulation of pe-  
titions for an open hearing on  
the cases of those members of the  
police force who have resigned  
within the past few weeks.

The interest at the gathering  
was rather intense, but the meet-  
ing disbanded with no action  
taken on anything, which, accord-  
ing to facial and verbal expres-  
sions as the crowd melted away,  
seemed a keen disappointment to  
many.

Mrs. Lewis Akers, who has  
spent the past month visiting her  
parents, Mr. and Mrs. S. B. Pul-  
ton, at 1074 Santa Anita avenue,  
has left her home in Washington,  
D. C., it being probable, however,  
that she and her husband will re-  
turn in the fall to make Burbank  
their home.

**Motor Car Agents to  
Erect New Building**

**VERDUGO CITY, June 27.**—H.  
N. Fowler of Verdugo City and C.  
Stewart of Montrose will head  
a new automobile sales agency  
handling the Chevrolet, with sales  
and service departments in Ver-  
dugo City, Montrose, La Canada  
and Tujunga, according to an an-  
nouncement. Mr. Fowler will be  
president and Mr. Stewart will be  
vice president of the new com-  
pany.

For the present it is under-  
stood that the business will be  
handled through the Stewart Mo-  
tor Car company of Montrose,  
with which Mr. Stewart is now  
connected. This arrangement will  
prevail until a new building  
can be erected at the corner of  
Honolulu avenue and Los Angeles  
street. When the new building is  
completed at this place an as-  
sembling and distribution plant  
will be established, from which  
the territory will be served until  
branch stations are established in  
accordance with the expected de-  
mand.

## ELECT OFFICERS OF CHORAL CLUB

New Board to Hold Meeting  
In July, Will Resume  
Sessions in Fall

**BURBANK, June 27.**—The  
Burbank Choral club, one of the  
leading musical organizations of  
the San Fernando valley, an-  
nounces the following result of  
its election.

President, Mrs. Gladys Fisch-  
er; vice president, Mr. Ricketts;  
secretary, Mrs. Homer Jones;  
treasurer, George Foster; social  
chairman, Mrs. Angie Fitzsim-  
mons; membership chairman, Dr.  
Attwater; publicity chairman, Dr.  
Hazeltime; program chairman,  
Mrs. Myrtle Radcliffe Hart; li-  
brarian, Mrs. Gerling.

The first official meeting of  
the new board will be held on  
the first Monday in July, the ac-  
tivities of the club being deferred  
until fall.

**Erects New Store**

A store building has been start-  
ed on Fourth street just back of  
the one now standing on the cor-  
ner of Providence avenue. P. A.  
Mudge is the builder. T. A. Dun-  
nicca, who is in the store now  
standing there, will move into the  
new one, which is being construct-  
ed for his occupancy.

The store will have a front-  
age on Fourth street of twenty  
feet and a depth of forty-five feet.  
It will be constructed of brick.  
Mr. Dunnicca expects to be in it  
by August 1st.

Al Burbank members of the  
faculty of the high school will be  
at their same places when the  
school opens in September, it is  
announced, with no changes so  
far as are known at this time.  
There will be a few additions,  
made necessary by the increase  
in enrollment.

These changes  
will include an additional teach-  
er in history; a man to assist in  
the language department; a part  
time teacher to take the sewing  
classes and an additional English  
instructor.

**Asks Supervisors' Aid  
In Civic Improvement**

**VERDUGO CITY, June 27.**—  
Police and fire protection, im-  
proved streets and sidewalks,  
building inspection and regula-  
tion, sanitary inspection and  
health supervision were among  
the community improvement pro-  
jects advocated by a committee  
from Verdugo City Association of  
Commerce, presented to the  
Board of Supervisors for con-  
sideration and action. The com-  
mittee consisted of H. N. Fowler,  
George Hansen, E. J. Fleming and  
Dr. E. L. Wempel.

An invitation was extended to  
the supervisors by the committee  
to go over the La Crescenta valley  
with the Glendale council and  
make preliminary plans for new  
roads to connect Verdugo City,  
La Crescenta and Glendale. The  
supervisors set no date for such a  
trip, but indicated their approval  
of the plan.

**Water Company Drills  
Well at La Crescenta**

**LA CRESCENTA, June 27.**—  
With a reservoir already com-  
pleted at Ramsdale and Altura  
avenues and a well in the process  
of drilling at Honolulu and Duns-  
muir avenues, the Crescenta Mu-  
tual Water company anticipates  
no water shortage. The new well  
is expected to be in commission  
within thirty days.

A request has been issued that  
lawns be not sprinkled in the  
middle of the day, as this does  
little or no good and the water  
quickly evaporates, almost an en-  
tire loss. With reasonable care in  
the consumption of water the  
Crescenta company anticipates no  
difficulty in caring for the de-  
mands of the present users.

**TUJUNGA NOTES**

**TUJUNGA, June 27.**—G. J.  
Fischer, real estate dealer of Tu-  
junga, leaves today for Europe on  
a vacation that will extend over  
July and August. According to  
Mr. Fischer's present plans he ex-  
pects to return about Septem-  
ber 1.

Clarence C. Buck, secretary of  
the Tujunga Valley Realty Board,  
had his car damaged Monday,  
when it collided with one driven  
by Mrs. Snyder. The collision oc-  
curred at the corner of Pine and  
El Centro streets. Neither of the  
drivers was injured and Mrs.  
Snyder's car escaped with a few  
scratches.

Reports from Los Angeles state  
that Miss Mamie Clark of Beulah  
court is recovering from the op-  
eration recently performed on her.  
Miss Clark expects to return to  
her home in another week.

Principal Axe and teachers,  
Mrs. Johnson, Miss Dodds, Miss  
Buckner and Miss Schindler, of  
the Tujunga school expect to at-  
tend summer school session in Los  
Angeles. Miss Wieman, school  
nurse, will also attend classes  
during the summer vacation.

**Sunday Song Service  
On Mount McGroarty**

**TUJUNGA, June 27.**—An ev-  
ening service of song will be held  
Sunday, June 29, by the Young  
Men's Fellowship of the First  
Presbyterian church of Pasadena  
at the Cross of San Ysidro on Mt.  
McGroarty. John Steven Mc-  
Groarty, for whom the mount was  
named, has been asked to make

## Realty Firm Report Sales Worth \$140,000

Dietrich Realty company re-  
ports \$140,000 sales in the past  
six weeks. Nothing, not even the  
hoof and mouth disease, power  
shortage, temporary lull in tour-  
ist influx, etc., can halt the steady  
growth of Glendale, say officials  
of the firm.

Following is a list of the sales  
completed by the Dietrich Realty  
company in the past six weeks:  
629 Palm drive sold to Sidney  
T. Rogers of Los Angeles; 1640  
Tenth street sold to G. H. Walker  
and W. H. Hallinger of Los An-  
geles; 746 West Doran street sold  
to H. W. Pease of Eagle Rock;  
429 East Lomita street to E. R.  
Gaskill of Glendale; Lot 5, Tract  
4770, Glendale Heights, sold to  
E. G. Bryant of Glendale; 957  
Arapahoe street, Los Angeles, sold  
to Mrs. M. McEnany of Glendale;  
412-418 South Everett street,  
Glendale, sold to Jean Havez of  
Hollywood; 40 acre ranch, Kings  
county, sold to Jean Havez of Hol-  
lywood; 153 acres land Port-  
erville, Calif., sold to Mr. Siese of  
Glendale. This is just one firm's  
report.

**Make Plans to Sell  
K. C. Building Shares**

Plans for selling shares in the  
Knights of Columbus building  
syndicate were made known last  
night at the council meeting in  
the clubhouse at 330 East Lomita  
avenue. Jesse Smith, grand  
knights, presided over the meeting,  
and named as members of the  
stock sales committee George  
Killingier, chairman, Harry Gir-  
ard, Dr. Leo Burnstein, Dr. Theo-  
dore Noehle, Capt. Francis Law-  
ler, E. L. McMahon, John de  
Ferie and Jesse Smith.

It is the plan to have each mem-  
ber own a share. Plans are also  
under way for a big membership  
drive to start shortly.

Edwin J. Albright is chairman  
of a committee arranging for an  
entertainment, to be given within  
six weeks' time. At this affair  
a Ford car will be given away.  
The car has been donated by  
Jesse Smith.

**Piano, Violin Pupils  
Are Heard In Recital**

A most creditable program was  
presented last night in the Hahn  
auditorium by piano and violin  
pupils of Pearl G. Curran and  
Hazel Linkogel. It is said one of  
the largest crowds ever in atten-  
dance at an affair of the kind heard  
the fifty-three pupils in the re-  
cital.

The various numbers were in-  
dicative of the splendid work Mrs.  
Curran and Miss Linkogel are  
doing at their studio at 214 East  
Chestnut street. They received  
many compliments on the work  
from parents and friends who en-  
joyed the program.

Fire loss per capita in the United  
States last year was the great-  
est in the world.

## POLICE SEEK TO IDENTIFY CORPSE

**Meagre Clues In Mystery of Man's Body Discovered In Lonely Canyon**

The mystery surrounding the corpse found yesterday afternoon in Scholl canyon by four boy hikers may never be solved, declares Lieutenant William J. Royle of the Glendale police department, who conducted the investigation, following removal of the greatly decomposed body to the parlors of the Jewel City Undertaking company at North Brand boulevard and Wilson avenue.

That the body was of a man aged somewhere around 50 years was evident. The remains showed portions of a sandy beard and hair. Upper 6 teeth on the left was out, while upper 6 on the right and lower 4 on the left were gold crowned.

## Visitors See Dempsey Acting Before Camera

Mr. and Mrs. John McGuire of Chicago, who are visiting Mr. and Mrs. Jesse E. Smith, 651 North Central avenue, had the opportunity of watching Champion Jack Dempsey in action during the filming of part of his present picture when they were the guests of William Smith, sporting editor of a Los Angeles paper, at the Universal City lot where the title holder is working.

Mrs. McGuire is a sister of Mrs. Jesse E. Smith and of M. J. Brennan, 519 North Central avenue. (The members of the party at Universal City were Mrs. Anna E. Smith, the mother of Jesse Smith, and Mrs. William Smith.)

## Former Resident Is Visitor In Glendale

E. O. Carlisle, who was formerly engaged in the plumbing business in Glendale, was a visitor to the city yesterday, coming over from his present home at Pomona to look after some of his property interests here.

## De Molay Chapters to Organize Drill Team

At the monthly banquet of the Glendale chapter of the DeMolay held at the Masonic temple last night a large number of visitors were present from other Southern California chapters to arrange for the formation of a drill team representing the Associated Chapters of the south to put on degrees soon before the Los Angeles Scottish Rite body. Officers were chosen to fill the positions on the team and a practice held.

About fifty members of the Glendale chapter were present at the banquet, at which Cullom Heffington, retiring Master Councilor, presided. Discussion of the dance tonight and future summer events was the principal item of business. Several Masons, members of the Advisory Council, were guests of the chapter.

## STEALS WINE PERMITS

LOS ANGELES, June 27.—Rabbi Aaron Supovitz hurried to the sheriff's office this morning with a tale of woe. A sneak thief stole four books of permits for sacramental wine, he told the officers.

## BOYS TO ATTEND CAMP ON ISLAND

**Second Group of Y Members To Leave July 3 for Catalina Holiday**

Another group of Glendale boys and men are bound Catalina-ward and, according to Rex C. Kelley, Y. M. C. A. executive, this outing at Camp Leon V. Shaw is going to be one of the finest in the history of the camp.

Leaving with the Glendale delegation on Thursday morning, July 3, will be boys from Eagle Rock and Burbank.

Since plans for the camp were started Mr. Kelley sent out questionnaires to the boys' parents and as a result the regular "Visitors' Day" in camp will be on Thursday, July 10. Parents are urged to plan to visit the island camp that day. For entertainment the boys will stage a big jinks circus with bands and other features.

**Glendale Delegation**  
 Glendale boys going to the camp will be Keith Arnold, Charles Andrews, Walton Andrews, Robert Angelica, Oliver Barstow, Paul Beeson, Brandon Bronnenberg, Robert Boyd, Willard Ball, Howard Bentley, Gerald Garreuto, Roper Crawford, Otis Christmas, Horace Davenport, Douglas Draper, Myron Cole, Leonard Ertell.

## Graham Crackers

By F. A. GRAHAM

The sloganeers who are shouting "It's a Democratic Year" should remember it is also leap year.

"Three States Report Splendid Rice Crop." The Marry month of June is with us again.

A Chicago man has just paid \$3000 for a kiss he stole five years ago. He's lucky to get off for that. If he had married the girl it would have cost him that much or more every year.

Boy, page the man who said there was nothing in a name. In Los Angeles there is a Cannon Ball Express run by Noyes.

Pin back your ears, for that's a big sounding name, any way you take it.

It is no trick to get telephone numbers in Tujunga. Every Tuesday the company shuffles them up and deals out new ones.

At last! I have become a noted columnist! A subscriber has sent in a note.

This note reveals a sad case of chronic amnesia. It says the twenty-second wedding anniversary of Mrs. John B. (and husband) recently arrived on the calendar, but Mr. B. was suffering from an attack of low visibility, and, in spite of a continued insinuating verbal barrage, failed to take proper cognizance of the fact until late in the day, when he cracked under the strain and took Mrs. B. on an auto tour to the grocery.

While it was not stated what was purchased, it is presumed that Graham crackers were included.

Twenty-two years, watching the cultivation and harvest of the same crop of whiskers. Imagine that!

## Leaves on Long Trip To Portland In North

Mrs. C. Salisbury of 112 1/2 South Orange street, left today for a delightful summer trip north. Traveling by train Mrs. Salisbury will stop for visits in San Francisco, Portland and Seattle. She will be the guest of Seattle friends on their yacht for a cruise north in and around Prince Rupert island.

## QUIET CEREMONY MARKS WEDDING

**Miss Faith Tarling Becomes Stanley Walker's Bride At Baptist Church**

Among June weddings of prominence was that last night, Thursday, June 26, 1924, of Miss Faith Tarling, daughter of Mrs. Annie V. Tarling of 426 South Adams street, and Stanley O. Walker, son of Mr. and Mrs. Frederick B. Walker of 710 East Harvard.

There were eight relatives and friends of the young couple in attendance at the marriage, taking place at 8 o'clock in the First Baptist church, with Rev. Ernest E. Ford officiating.

Baskets of dahlias and gladioli in varied hues were combined with a profusion of greenery in the church decoration. Baskets of the flowers were arranged artistically and the chancel of the church banked with palms, other potted plants and fern.

Mrs. Eva Kurtz Ghrist played a prelude, which was followed by two vocal numbers by Mrs. Vera McKee Neighbors. Mrs. Neighbors sang "O Promise Me" and "At Dawning."

The bridal party entered as the Lohengrin march was played by Mrs. Ghrist.

**Wedding Gowns**  
 Miss Tarling had chosen a maid of honor, two bridesmaids and a flower girl. The pastel shades seen in the floral decoration of the church were also seen in the gowns of this group.

Miss Hazel Walter, the maid of honor, wore pink charmeuse, made in drape effect. Her bouquet was a shower of pastel shaded sweetpeas. A wreath of hand-made French flowers was an added touch.

The two attending maids wore blue and yellow taffeta. Miss Ruth Palmer's gown was of the blue and Miss Evangeline Quackenbush wore yellow. Each carried an arm bouquet of pastel shaded sweetpeas. Miss Palmer's bouquet was tied with a huge bow of pink tulle, while Miss Quackenbush's had a bow of lavender.

Each wore a wreath of hand-made French flowers about her hair. Rosemary Walker, who preceded the bride and scattered rose petals in her path, wore a little dress of peach taffeta.

William Walker was his brother.

## Ex-Convict

REV. VINCENT J. STEFFAN, a former inmate of San Quentin, will tell the story of his conversion, at the Presbyterian church.

Rev. Vincent J. Steffan, who spent twelve years in a San Quentin prison cell, will speak next Sunday morning, at 11 o'clock in the Glendale Presbyterian church.

Rev. Mr. Steffan is one of those unusual characters of whom one often reads in B. ion, but seldom meets. After spending ten years in prison, he became a Christian and describes his conversion as remarkable as that of Saul of Tarsus. He was an associate of the chief of gangsters lynched in Santa Rosa, and confesses to criminality even in his childhood. During his youth and young manhood he was of the ordinary, sort, did type, a victim of drugs and

## LONG BEACH MAN WEDS LOCAL GIRL

**Miss Lorna M. Breniman Is C. R. Bernard's Bride at Home Ceremony**

The A. L. Breniman home at 1119 Campbell street, was the scene Wednesday night, June 25, 1924, of a pretty wedding when their daughter, Miss Lorna M. Breniman, was married to Charles R. Bernard, Jr., of Long Beach, son of Mr. and Mrs. C. R. Bernard of Ft. Collins, Colorado. Rev. H. I. Rasmus, Jr., assistant pastor of the First Methodist church, was the officiant, reading the ceremony at 7:30 o'clock before a company of thirty relatives and friends.

The Breniman home was decorated with a profusion of ferns and Shasta daisies. A bank of greenery and a large white floral bell formed an artistic setting for the bridal party in the living room.

**Wedding Music**  
 Preceding the ceremony Miss Fay Coleman of Long Beach sang "I Love You Truly" accompanied on the piano by the bride's brother, Ansel Breniman, who also played the Lohengrin wedding march for the entrance of the bridal party and the Mendelssohn wedding march after the ceremony.

The bride had chosen for her gown, white crepe de chine, and she carried a shower bouquet of white roses and lilies of the valley. Her father, A. L. Breniman, gave her in marriage.

Mrs. W. A. Breniman was Miss Breniman's matron of honor. She wore a pale blue crepe frock and carried an arm bouquet of pink sweetpeas and fern.

Miss Lolla Kerr of Los Angeles was the bridesmaid. She wore a pink crepe dress and carried an arm bouquet of lavender sweetpeas.

**Hold Reception**  
 Rachel Breniman, the bride's sister, was the little flower girl.

drink, that follows such a childhood. For five years he has been actively engaged in Christian service. He has a pleasing personality, and gives modest publicity to his criminal years, using his story as a means of stressing his message.

## Frolic, Fun and Something Else

A national holiday, a day of outings and merrymakings, is the country's outward observance of the glorious Fourth. But, there is another meaning, underneath, and every American's heart thrills to this day's true significance. The freedom-loving spirit of 1776 still lives in 1924. It never has failed America in an hour of need and never will. We celebrate with the following specials for SATURDAY only:

### Daily Greeting To News Readers

#### MODESTY IS—

A woman's chief charm and best defense.  
Always better than stylishness.  
Never a handicap in good society.  
Easy to lose and hard to gain.  
Something that cannot be counterfeited.  
God's way of identifying good character.  
Too big a price to pay for applause.

#### CONCEIT A GIFT

Bruce Barton in an editorial in a fiction magazine says he has made the discovery that conceit is God's gift to little men; that great men are always distinguished by self-deprecation, by the feeling that they are over-rated. "God distributes talents with impartial hand," he says. "To big men he gives the satisfaction of achievement, but he penalizes them with hours of depression, introspection and self-doubt. Little men would be discouraged if they could see themselves in their true light. So conceit was sent into the world—God's great gift to little men."

This reasoning is logical. How often we meet people in the most subordinate positions who have an exaggerated sense of their own importance and of the value of their time. They are arrogant, egotistical, supercilious out of all proportion to their talents and capabilities. The very satisfaction with which they regard themselves brands them as small, for the great are always growing, and there is no progress or development without dissatisfaction.

On the other hand, big men always feel that they are over-rated; they often have a sense of shame and failure. Abraham Lincoln was one of the greatest men of the ages, and his humility was one of his strongest characteristics. The great are never satisfied with themselves, and their constant striving to do more and better work is one of the things that makes them great.

We see this same principle of adjustment in regard to the use of time. The capable, busy person can always find time to do the extra task, the job that no one else wants to do. The small person is always too busy. The less the small man does the more often he pleads lack of time. How often we hear, "If you want work done well go to the busy man." That is why we see the names of certain people so often on committees and as heads of organizations. The busy people have the most time. The idle person hasn't the satisfaction of accomplishment that the busy person enjoys, so he is compensated by the feeling that he is too busy to do the big things.

Self-conceit in another is very irritating, for it is so easily seen that it has no excuse for being. But consider the utter depression and discouragement that little people would have to experience if they saw themselves as we see them. If we consider that conceit is a gift of God sent to make life bearable to the small and mean we can have more sympathy for them.

#### READING GOOD BOOKS

It is characteristic of this age that we give undue thought to ways and means of entertaining and amusing ourselves, and by so doing we defeat our own purpose, for too much amusement breeds ennui. If we preserved a nice balance in the time allotted to work and play, self-improvement and rest, we should enter into our sports with more zest and take more pleasure in our hours of recreation.

Reading nothing but the lightest of fiction, to pass an idle hour, is a custom that is becoming all too common. Even the novel is not so popular as it once was. Story magazines are so numerous, and in rushing about from one thing to another, as we do, it is much more convenient and satisfactory to pick up a magazine and read a short story than to read a few chapters from a book and then lay it down until we have a few idle moments again.

There is nothing that will bring so much pleasure and profit as the reading of good books. Those who care only for fiction can quickly acquire a taste for the more substantial mental food. History, biography, travel, are all so absorbing and thrilling. History broadens one and gives one an insight into the forces that have formed our civilization; biography is inspirational; science is enthralling; travel is broadening; and the best of fiction may be educational.

When we read good books we make double use of our time. We are entertaining as well as improving ourselves.

#### "AMERICA FOR AMERICANS"

In the book review of a current magazine we read: "America may not be the greatest country in the world, but it is certainly the most fortunate. Of all nations, past and present, America is the land of opportunity. To mention four biographies: 'The Americanization of Edward Bok'; 'From Immigrant to Inventor,' by Michael Pupin; 'Children of Loneliness,' by Anzia Yezierska, and 'The Iron Puddler,' by James J. Davis; they prove what foreigners have accomplished in the United States. And what a bad thing it would prove to be for us if we refused entrance to immigrants, if we followed any such absurd slogan as 'America for Americans.'"

It is true the four mentioned as well as other "foreigners" have contributed more or less to our greatness. Yes, America is fortunate in having such citizens, but are not these foreign-born people fortunate in having the opportunity to develop their greatness in America? They would have had no such opportunity in their own lands. The four mentioned above are not "foreigners." They wished to become Americans, and thus they have included themselves in the slogan, "America for Americans."

Judging by what they say, we are inclined to believe that some of the Democrats do not think a great deal of the Republican administration.

Man needs but little here below, but he keeps on grabbing for the earth.

Were it not for the nuts a political machine would refuse to function.

The best policy to pursue when you're laid up is one that's paid up.

Well, anyway, one shouldn't judge a war worker by his war work.

So many of us reach dependency and old age at the same time.

Swat one fly and the whole family comes to the funeral.

Who meddles with nettles will surely get stung.

### GOLF AT HOME

By Dick Dorgan

### Protestantism

By DR. FRANK CRANE

In a recent number of the Century Magazine, Glenn Frank asks:

"Shall Protestantism return to Rome, to Athens or to Jerusalem?"

"Shall Protestantism be the religion of a church, the religion of a book or the religion of a spirit?"

"Shall Protestantism be a religion of authority or a religion of adventure?"

"Shall Protestantism be a religion of magic for primitive minds or a religion of mysticism for modern minds?"

"Shall Protestantism be a religion of deliverance for the sick-minded or a religion of development for the healthy minded?"

"Shall Protestantism be a religion of declarations or a religion of demonstrations?"

"Shall Protestantism take its cue from the scientist or shall it take its cue from the mystic?"

Mr. Frank does not answer his questions; he simply raises them.

In the nature of the case, Protestantism is a religion of protest; that is to say, it is a religion of the spirit of adventure and for modern minds.

It is the tendency of Protestantism to break up into small sects. As to the number of these we need not be alarmed. There never can be enough

of them if it means the vigor of the Christian idea. There will be too much of them if it is merely governmental.

The Church of Rome stands for one sort of thing and the churches of Protestantism stand for another.

There is this great division into two classes in all departments of life. The Conservatives and the Radicals. Those who look for adventure and those who look for authority. Which shall last, we have no means of knowing.

The Church of Rome has lasted for a good while and may be the church of the future.

It is no sign, however, of vigor to have existed long.

Whether the churches come together or not, the hearts of men are flowing together and they will work out some kind of tangible religion.

As Mr. Frank says, the layman is "an innocent bystander in much of the current controversy between the Fundamentalists and the Modernists."

In these battles of doctrine the man in the pew often feels that he is strangely neglected.

"We laymen are not greatly interested in the technicalities of theological discussion. We are interested in the mystery and mastery of life."

### Good Old Days, Then And Now

We could go back to the good old days with great profit to ourselves in one particular. And that is the way we regard things that are sacred. We are more flippant than we were a generation ago, much to our detriment.

For one thing, we are a little more honest with ourselves and others than we were then, and that, of course, is commendable. It is never right or honest to pretend an emotion we do not feel.

What would we have done without the war? We should have nothing to blame for our lapses in morals and conduct and for conditions and ideals that have changed for the worse, were it not for the war. Yes, by all means, let us blame the war for our changed attitude toward religion; for the fact that we are more worldly (as a nation) than we were a generation ago; and because the youth of today is outspoken in his views in regard to church-going and religion and God.

Our patriotism is not of so high an order as it was in the good old days. There are several reasons for this, and yet no real reason. Our country is the best country in the world (if you do not think so, try living somewhere else) and we should love it, be willing to sacrifice for it and to defend it when necessary. We can blame the war again for our changed ideals in patriotism. We sacrificed to the last dollar then and our boys gave their health and their lives and now we know that it was more or less in vain. But because mistakes were made then and because the dishonest among us profited by the death and sacrifice of others is no reason why we should "throw down" our country. We should resolve, instead, to defend it from this enemy within.

We have lost some of our regard for the law and this may lead to serious consequences. There is a feeling even among some who would not break the law themselves that those who do so and get away with it are clever.

The Constitution of the United States, the laws of the states and the ordinances of our cities are the foundation upon which our liberty is built. It is true our lawmakers are not always wise; perhaps they are not always just, but when we, as individuals, take it upon ourselves to destroy the Constitution, when we begin to decide which laws we shall obey and which we shall not; when we begin to feel ourselves above the law, then there is danger ahead for the old U. S. A.

We do not regard the flag in the light we once did. The stars and stripes are only an emblem, but the flag shows which way the wind blows. We wouldn't be doing so badly if we should go back to the good old days in matters of religion and patriotism.

Many new manufacturers are being established in Australia.

### Horoscope

Venus in benefic aspect dominates today, according to astrology. Mercury is adverse.

It is a time when women should benefit greatly from the direction of the stars and should exert every effort toward the success of their ambitions, political and social.

The trend of the summer will be toward great social assemblies in which men and women meet, but through these entertainments advancement is to be gained in serious projects.

All the indications appear to presage little real political power for women, although they will be flattered with much prominence and the appearance of importance.

This should be a lucky day for lovers' meetings, but not for their letters. They should be careful about the use of the mails.

Amusements of every sort are subject to the best sort of influences. Theatres will profit greatly in New York City and other centers of population during the summer months.

Actresses should be especially fortunate under this rule of the stars and contracts signed today, even though it is Friday, should make for great success.

This is held to be rather a depressing way under which to look into one's accounts or to contemplate bills. When Mercury smiles instead of frowns they will look much more encouraging.

American authors are to reach a period in which new ideals will guide them and this is to be a year of fine beginnings, it is foretold.

Turmoil in the British parliament and much dissatisfaction with government affairs are prognosticated.

Diplomats representing the United States are to meet problems of grave moment before the late autumn.

Much spending of money will mark the summer months, for planetary influences will encourage extravagance.

Persons whose birthdate it is have the forecast of a quiet, happy year. In love and domestic affairs all should be favorable. The young will court and marry.

Children born on this day will probably be gifted and withal persevering. These subjects of Can-

### Who's Who

When Roy O. West, new secretary of the Republican National committee, arrived at the G. O. P. convention in Cleveland, where his appointment was announced, politicians were still discussing the defeat of Medill McCormick for renomination as senator in Illinois. West managed the campaign of former Governor Deen, who defeated the senator in the April primaries.

He is a prominent lawyer in Chicago and is nationally known for his activities in the Republican party.

West was born October 27, 1868. He received his A. B. and LL. B. degrees from DePaul university in 1890 and was admitted to the bar the same year. Three years later he received his M. A. degree from the same university.

He is a member of the American, Illinois State and Chicago Bar associations and is now head of the law firm of West & Eckhart of Chicago. In 1894 West served as assistant county attorney of Cook county, Illinois; he was city attorney, Chicago, from 1895 to 1897; member of Board of Review of Cook county for sixteen years, from 1898 to 1914; and attorney for South Park Commissioners, Chicago, 1917.

He was elected chairman of the Republican State committee for five consecutive terms and served as a member of the Republican National committee from 1912 to 1916.

### Today's Poem

RAIN IN SUMMER  
How beautiful is the rain!  
After the dust and heat,  
In the broad and fiery street,  
In the narrow lane,  
How beautiful is the rain!  
How it clatters along the roofs  
Like the tramp of hoofs!  
How it gushes and struggles out  
From the throat of the overflowing spout!

Across the window-pane  
It pours and pours;  
And swift and wide,  
With a muddy tide,  
Like a river tide down the gutter  
It flows.

The rain, the welcome rain.  
—Henry Wadsworth Longfellow.

BREVITY  
Tom Callahan got a job on the section working for a railroad. The superintendent told him to go along the line looking for washouts.

"And don't be as long-winded in your next report," said the superintendent. "Just report the condition of the road. Wire a business letter, and not a love letter."

Tom proceeded on his tour of inspection, and when he reached the river, he wrote this report to the superintendent: "Sir: Where the railroad was, the river is."

EMBRACING OPPORTUNITIES  
A certain rector just before the service was called to the vestibule to meet a couple, who wanted to be married. He explained that there was not time for the ceremony then.

"But," he said, "if you will be seated, I will give an opportunity at the end of the service for you to come forward, and I will then perform the ceremony."

The couple agreed, and at the proper moment, the clergyman said: "Will those who wish to be united in the holy bonds of matrimony, please come forward!" Whereupon thirteen women and one man proceeded to the altar.

Twenty-six branch railway lines with a total of 946 miles of track, will be built by the Canadian National railway at a cost of \$26,000,000.

## SEEKS AUXILIARY AIR MAIL BRANCH

Glendale Logical Point for  
Southland Terminal, Is  
Jackson's Claim

In an endeavor to cut down the  
time in transit of mail from Glen-  
dale and eastern cities, Postmas-  
ter D. Ripley Jackson is working  
to secure an air mail service be-  
tween Glendale or Los Angeles  
and Salt Lake City, where the  
mail would connect with the regu-  
lar eastbound plane.

Glendale with its airport is  
considered the logical point for  
the Southern California terminal.  
Postmaster Jackson said today in  
outlining plans for the proposed  
service. Should the service be  
established, the landing field se-  
lected would be either the Glen-  
dale airport or the aviation field  
at Hollywood, with the Glendale  
airport favored, he said.

**Make Better Time**  
Situating on the San Fernando  
road, the Glendale airport would  
enable mail trucks to make bet-  
ter time from the field to the Los  
Angeles postoffice than could be  
made between the Hollywood field  
and the office, Postmaster Jack-  
son believes.

With such an auxiliary air ser-  
vice, mail for New York City would  
reach that destination in thirty-  
one hours and five minutes after  
leaving Los Angeles or Glendale,  
Postmaster Jackson pointed out.  
The airline distance to Salt Lake  
City is 475 miles, and the flying  
time would be between five and  
six hours. A plane leaving the  
airport at 7 a. m., would connect  
with the plane leaving Salt Lake  
City at 2:15 p. m. mountain  
time, according to the air mail  
schedule to be adopted July 1.

The regular route from San  
Francisco touches at Reno and  
Elko, Nevada, but it is believed  
inadvisable to try to connect with  
the eastbound planes at either of  
these points, since the eastbound  
plane leaves Reno at 8:15 a. m.,  
and Elko at 11 a. m. The air  
route to either Reno or Elko  
would be over mountain ranges  
most of the way. Postmaster Jack-  
son declares, while the air route  
to Salt Lake City would be easier  
flying.

Until such a route is secured,  
mail for eastern points carrying  
air service stamps, will be sent  
to Salt Lake City by train, and  
carried eastward by plane, Post-  
master Jackson said, starting  
July 1. The elapsed time between  
Glendale and Salt Lake City  
would be further reduced exactly  
twenty-four hours, he said, by  
the air mail service.

## Musical Show Tonight At Methodist Church

The Young People's department  
of the Pacific Avenue Methodist  
church is presenting tonight,  
June 27, at 8 o'clock a black-  
face musical comedy program as a  
benefit for the church addition  
building fund.

The minstrel company is made  
up entirely of local talent, and  
the event gives promise of being  
a big success. Mrs. Donald  
Magill and E. F. Peckham are di-  
recting the affair.

Feature soloists will be Mr.  
and Mrs. H. L. Board of Burbank.  
Mrs. Board is a talented pianist  
and Mr. Board a vocalist of un-  
usual ability.

Admission of 35 cents for  
adults and 25 cents for children  
above 6 years of age will be  
charged, it is announced.

## Return From Yosemite; Plan Another Journey

Back from a motor trip to Yo-  
semite National park, where they  
spent two weeks, Mr. and Mrs.  
Frank B. Reichenbach, 1516  
South Gardner avenue, are al-  
ready planning a month's automo-  
bile tour to Yellowstone, starting  
about July 15.

The trip to Yosemite included  
two weeks at Camp Curry and  
a visit to the Mariposa big trees,  
and en route to the park the cities  
along the coast route were visited.  
On the coming trip Mr. and  
Mrs. Reichenbach plan to motor  
to Portland, Ore., and to follow  
the Columbia river for about 200  
miles.

## Bids on \$5,000,000 Flood Control Asked

Supervisor Henry W. Wright ad-  
vises The Glendale Evening News  
today that the board of super-  
visors is calling for bids on a  
\$5,000,000 block of the flood con-  
trol bonds, recently voted by the  
people. The sale of this block of  
bonds will enable the board to  
begin immediately the much-  
needed flood protection work in  
the county, as well as inaugurate  
the new and equally important  
policy of water conservation. Bids  
for the bonds are to be opened by  
the board on July 7.

## Change Route on Bus Line During Paving

The changing in the route of the  
Pacific Electric bus line has  
been made necessary because of  
street work now in progress on  
Colorado and Pacific avenues, of-  
ficials of the company announce.  
The following route will be effec-  
tive until further notice is given:  
West on Cypress to San Fernan-  
do road; San Fernando road  
to Pacific avenue; Pacific to Elk  
street; east on Elk street to Brand  
boulevard, thence north on Brand  
to Broadway, returning the same  
route.

## Stanley Walker Weds Miss Faith Tarling

(Continued from page 3)

er's best man.  
The ushers were Carl Walker  
of Glendale and Russell Walter of  
Long Beach.

**Buffet Luncheon**  
Miss Tarling, who was given in  
marriage by her uncle, O. S.  
Palmer of 1003 East Colorado,  
was gown in white crepe de  
chine, made on long lines in panel  
effect. An orange blossom wreath  
held her veil in place. Her bridal  
bouquet was a shower of bride's  
roses and fern.

Mrs. Tarling was gown for  
her daughter's wedding in wood  
brown Roman crepe, while Mrs.  
Walker wore blue satin back  
crepe.

From the church the bridal  
party, relatives and a group of  
close friends motored to Mr. and  
Mrs. Walker's new bungalow  
home at 540 West Dryden, where  
a reception was held and a bridal  
buffet luncheon served.

At a late hour Mr. and Mrs.  
Walker bade the company fare-  
well and left for a honeymoon  
trip. For traveling Mrs. Walker  
wore a sport outfit in the new  
rose shade.

Both Mr. and Mrs. Walker have  
hosts of friends in Glendale,  
where they attended the Glendale  
Union High school. The Walker  
family came here several years  
ago from Maine. Mrs. Tarling and  
her mother have long been resi-  
dents of Glendale. Both Mr. and  
Mrs. Walker attended the Univer-  
sity of California, Southern  
Branch.

Mr. Walker is connected with  
Olin and Hutchinson, public ac-  
countants, with offices in the  
Chamber of Commerce building.  
Mrs. Walker has been kinder-  
garten teacher at the Grand View  
school.

Decorations at the church and  
at the home were done by the  
Glendale Florist company.

## Trace Meagre Clues To Identify Corpse

(Continued from page 3)

Hat company, 349 South Spring  
street, was found near the body.  
In the pockets of the crumpling  
clothes were found an Elgin gold  
watch, a pen-knife and a key-ring.  
The watch bore case No. 5,173,149  
and works No. 12,164,431. There  
were five keys on the ring all of  
them trunk, padlock or valise  
keys.

**Pictures In Watch**  
In the watch were two pictures,  
one of a middle-aged woman with  
a boy about 6 years old, the other  
of a younger woman with the  
same boy. An aluminum drinking  
cup, badly corroded, was also  
found. In one of the pockets was  
an envelope containing a lump of  
gold, evidently part of a filling  
or crown from a tooth.

The clothes found on the body  
appeared to be a brown suit, over-  
alls, tan shoes and an old  
overcoat, all shabby.

No bullet wound or other indi-  
cation of an unnatural death could  
be discovered.

A full report of the case has  
been made at the county coroner's  
office, Los Angeles.

## Glendale Girl Bride Of Long Beach Man

(Continued from page 3)

Her dainty pink frock was  
trimmed with lace and she car-  
ried a white basket with rose  
petals which she scattered in the  
bride's path.

After the ceremony a reception  
was held at the Brenman home  
when the bride cut her wedding  
cake which was served with the  
refreshments.

Later Mr. and Mrs. Bernard  
left by automobile for a short  
trip. Upon their return they will  
make their home at Long Beach  
where Mr. Bernard is employed.

Mrs. Bernard and her parents  
came to Glendale a year ago from  
Ft. Collins, Colorado. During  
this time she has been attending  
the University of California,  
Southern Branch.

## The Case of Jennie Brice

By MARY ROBERTS RINEHART. Copyright, 1924.

CHAPTER XXIX

"I have no theory about it. She may have broken it herself. She had used it the day before to lift tacks out of a carpet."

"That was true, I had."

"That early Monday morning was cold, was it not?"

"Yes. Very."

"Why did your wife leave without her fur coat?"

"I did not know she had until we had left the house. Then I did not ask her. She would not speak to me."

"I see. But is it not true that, upon a wet fur coat being shown you as your wife's, you said it could not be hers, as she had taken hers with her?"

"I do not recall such a statement."

"You recall a coat being shown you?"

"Yes. Mrs. Pittman brought a coat to my door, but I was working on a play I am writing, and I do not remember what I said. The coat was ruined. I did not want it. I probably said the first thing I thought of to get rid of the woman."

"I got up at that. I'd held my peace about the bread-knife, but this was too much. However, the moment I started to speak, somebody pushed me back into my chair and told me to be quiet."

"Now, you say you were in such a hurry to get this medicine for your wife that you cut the rope, thus cutting your wrist."

"Yes. I have the scar still."

"You could not wait to untie the boat, and yet you went along the river-front to see how high the water was?"

"Her alarm had excited me. But when I got out, and remembered that the doctors had told us she would never die in an attack, I grew more composed."

"You got the medicine first, you say?"

"Yes. Mr. Alexander has testified three-thirty. It has been shown that you left the house at two, and got back about four. Does not this show that with all your alarm you went to the river-front first?"

"I was gone from two to four," he replied calmly. "Mr. Alexander must be wrong about the time I awakened him. I got the medicine first."

"When your wife left you at the bridge, did she say where she was going?"

"No."

"You claim that this woman at Horner was your wife?"

"I think it likely."

"Was there an onyx clock in the second-story room when you moved into it?"

"I do not recall the clock."

"Your wife did not take an onyx clock away with her?"

"Mr. Bradley smiled. 'No.'"

The defense called Mr. Howell next. He looked rested, and the happier for having seen Lida, but he was still pale and showed the strain of some hidden anxiety. What that anxiety was, the next two days were to tell us all.

"Mr. Howell," Mr. Llewellyn asked, "you know the prisoner?"

"Slightly."

"State when you met him."

"On Sunday morning, March the fourth. I went to see him."

"Will you tell us the nature of that visit?"

"My paper had heard that he was writing a play for himself. I was to get an interview, with photographs, if possible."

"You saw his wife at that time?"

"Yes."

"When did you see her again?"

"The following morning at six o'clock, or a little later. I walked across the Sixth Street bridge with her, and put her on a train for Horner, Pennsylvania."

"You are positive it was Jennie Brice?"

"Yes. I watched her get out of the boat, while her husband steadied it."

"If you knew this, why did you not come forward sooner?"

"I have been out of the city."

"But you knew the prisoner had been arrested, and that this testimony of yours would be invaluable to him?"

"Yes. But I thought it necessary to produce Jennie Brice herself. My unsupported word—"

"You have been searching for Jennie Brice?"

"Yes. Since March the eighth."

"How was she dressed when you saw her last?"

"She wore a red and black hat and a black coat. She carried a small brown valise."

"Thank you."

The cross-examination did not shake his testimony. But it brought out some curious things. Mr. Howell refused to say how he happened to be at the end of the Sixth Street bridge at that hour, or why he had thought it necessary, on meeting a woman he claimed to have known only twenty-four hours, to go with her to the railway station and put her on a train.

The jury was visibly impressed and much shaken. For Mr. Howell carried conviction in every word he said; he looked the district attorney in the eye, and once when our glances crossed he even smiled at me faintly. But I saw

## Views and Theatres

Compiled by Members of The Evening News Staff

Glendale theatre-goers are glad "It's a Boy," according to Manager J. A. Menard of Murphy's Comedians, who are presenting this popular comedy every night at their big tent on Stocker street, Casa Verdugo, between Brand boulevard and Central avenue.

The Morosco Theatre in Los Angeles will present this play in August, states Mr. Menard. It is at present being offered for the first time on the Pacific coast.

In the east, "It's a Boy" proved an outstanding hit and played to crowded houses. It is expected to prove the most popular play that Murphy's Comedians have yet put on. The curtain rises promptly at 8 o'clock each night, although those who wish front seats will find the doors open at 7:15 o'clock.

The shortage of electric light and power has absolutely no effect on the productions staged by Murphy's Comedians, either backstage or inside the big canvas auditorium, states Mr. Menard. Here is one place of amusement in Glendale where patrons may sit through the entire performance without interruption or make-shift.

### HEDDA HOPPER BETTER

Hedda Hopper, noted star in Metro-Goldwyn-Mayer productions, is still confined to her bed at Angelus hospital, where she was operated upon a week ago for appendicitis.

Why he had tried to find Jennie Brice, and had dreaded testifying. Not a woman in that court room, and hardly a man, but believed when he left the stand, that he was, or had been, Jennie Brice's lover, and as such was assisting her to leave her husband.

"Then you believe," the district attorney said at the end, "you believe, Mr. Howell, that Jennie Brice is living?"

"Jennie Brice was living on Monday morning, March the fifth," he said firmly.

"Miss Shaeffer has testified that on Wednesday this woman, whom you claim was Jennie Brice, sent a letter to you from Horner, is that the case?"

"Yes."

"The letter was signed 'Jennie Brice'?"

"It was signed 'J. B.'"

"Will you show the court that letter?"

"I destroyed it."

"It was a personal letter?"

"It merely told me she had arrived safely, and not to let anyone know where she was."

"And yet you destroyed it?"

"A postscript said to do so."

"Why?"

UNCLE WIGGILY AND THE ICE CREAM

"Where is the hammer, and please get me some nails, Nurse Jane," called Uncle Wiggily one morning in the hollow stump bungalow soon after breakfast.

"What are you going to do," the muskrat lady housekeeper wanted to know. "Are you going to build a boat and go sailing after adventures?"

"No, indeed! Not this morning!" laughed the rabbit gentleman. "I am going to make an ice cream stand, like Billie Wagtail's lemonade stand. I am going to sell ice cream and make a lot of money."

"Why do you want to make a lot of money?" asked Nurse Jane. "So I can get rich and buy a cake of ice for every one in Woodland," answered the bunny. "You see it is so very hot, Nurse Jane, that I would like all my friends to have a cake of ice to keep cool."

Mr. Whitewash, the polar bear gentleman in his ice cave, has the best time all summer. But when I get to selling ice cream I will be cool, those who buy my ice cream will be cool, and when I get rich, and buy every one a cake of ice, we'll all be cool."

"It sounds nice," said Nurse Jane, not meaning to make a joke. "Here is the hammer, and you will find some nails on the shelf, Uncle Wiggily."

So the bunny gentleman, with some boxes and boards, built himself an ice cream stand under a shady tree just beside his bungalow.

When the stand was finished Nurse Jane put some pretty pink and white paper on it, as Uncle Wiggily hopped down to the store to buy a freezer of ice cream and some vacant cones, made of a sugary, floury paste into which the ice cream could be stuffed.

"Now I'm all ready for business!" said the rabbit as he came back with the ice cream and cones. He printed a sign, writing it with a burned stick on white birch bark. The sign said: BUY ICE CREAM CONES AND KEEP COOL.

It certainly was a hot day—everyone wanted to be cool, and Uncle Wiggily thought he would do a good business. He sat behind his counter waiting for customers. Up hopped Billy No Tail, the frog boy.

"How much are your ice cream cones, Uncle Wiggily?" croaked Billy.

"One dollar each," answered the rabbit.

"What's that? A dollar for an ice cream cone?" cried the frog boy. "I want to get rich quick so I can buy a cake of ice for every one in Woodland and make them cool," answered the rabbit. "That is why I'm charging a dollar."

"Ha! Ha!" laughed Billy. "You'll never sell ice cream cones for a dollar apiece. Why you can buy them much cheaper down at the five and ten cent store."

"Oh, is that so?" asked Uncle Wiggily, twinkling his pink nose. "Well, you see I don't know much about the ice cream business, Billy. Would you think a penny too much for an ice cream cone?"

"Oh, no, I'd be glad to give a penny for one," croaked Billy. "Then here you are!" cried Uncle Wiggily. He filled a large cone heaping full of the lovely

### ANSWERS TO MOTHERS

**Mrs. E.**—No. Bright's disease, infantile paralysis and cancer are not inheritable. Aside from certain afflictions, like epilepsy and imbecility, syphilis is the only disease that can be passed on to the offspring. Tendencies to disease can perhaps be inherited, but these can be overcome by proper care.

**Mrs. H.**—In the city from which you wrote your letter, there are baby clinics and baby welfare stations. You must get in touch with one of them. Ring up county medical society in your city or your city health department and ask them to tell you where to go, if you cannot afford to go to a private physician. I am sure your child can be helped, so don't despair.

**Mrs. G.**—The condition of your baby boy's testicle is known as hydrocele. (Literally, that means water cyst.) It is not uncommon. It is probably due to some little obstruction of the blood vessels. The condition usually rights itself by absorption, after a varying time. You say he is well and happy otherwise. Just have confidence in your physician who has told you the same thing that I am telling you. The condition does not go down after a while, he will advise you what to do.

**Mrs. D.**—I cannot tell from your description whether the baby has a rupture on the navel or not. The fact that the navel protrudes a little does not always mean a hernia. There must be a separation of the abdominal muscles so that the intestines can go through this separation to form a hernia. However, you had better see a doctor at the baby clinics or in private practice, to be sure.

If it is hernia, the treatment is to strap it with adhesive tape. Don't put a button under the strap because that keeps the muscles separated. Get some adhesive tape about two inches wide and have it long enough to extend three or four inches on each side. This can be worn for a week or ten days, and the bath can be given just the same. At this time, it will come off easily and a new one can be applied. When you apply the new tape, apply it a little diagonally, so that a new part of the skin is covered.

Small navel hernias usually correct themselves as the child grows.

### Tomorrow—Answers to Correspondents

My Dear Followers:—When sending for material which we offer you please remember to enclose a stamped envelope bearing your full name and address. The pamphlet on reducing and gaining is the only one for which you must enclose four cents in stamps extra. Address your letters to me in care of this paper. Make them as brief as possible, not over 200 words, and type or write them legibly with ink. Please sign your name as evidence of good faith—we will not use any anonymous letters. Remember it is impossible for me to diagnose for you or to answer you personally. I appreciate very much the beautiful letters you send and regret it is impossible to give you individual advice. The questions you ask will be answered in this column as soon as possible, if they are of general interest. Don't forget the a. s. e. if you expect me to send you the information I have offered.

From the number of letters I receive on fancywork, I am well aware that my readers are eager for new ideas along this line. I wonder if there may not be at least a few of you who have overlooked the popular new slip-over kimono?

I have seen these kimonos made in all materials. The goods must be a yard wide. It requires no pattern to make one, because the garment consists simply of one long strip doubled over, with a hole cut for the head to go through at the doubling point; the selvedge edges are sewed to-

gether on both sides except near the doubling point, where they are left open for the arms to come through. No sleeves are required. As one's shoulders do not take up the full width of the goods, there is a graceful draping of the material over the upper arms to the elbows. A cord or girdle gathers the garment in loosely at the waist.

This kind of kimono would be an especially useful garment for our friends who intend to travel during their vacation. On a railway car or steamer the wearer would not have to bother holding a kimono together across her sleeping robe, on her way to the lavatory. This point may seem trivial in print—but it is a most important consideration on a windy boat, or in a rocking railway car where one often needs both hands free to maintain one's balance. A traveling kimono of this type which I have recently seen, was made of silk poplin which cost \$1.50 a yard. As three yards are required for a woman of average height (that is around five feet six, or seven) the entire cost of the garment, save for a narrow ribbon binding at neck and arm slits, was \$3.75. The color was a practical and noticeable dark blue—another important point in making a traveling kimono.

But perhaps the prettiest slip-over kimono I have seen was made in that new and serviceable material called linette (which is a sort of lightweight, invisible-striped sateen). In most stores linette sells for around 69 cents a yard—which would make the entire cost of the kimono only \$2.07. Pink satin ribbon bound neck hole and arm slits. An inch-deep hem finished the garment at bottom.

Tomorrow—iced drinks for warm days.

## Social : Clubs

Edited by KATHERINE V. SINKS

### Dance Success

The regular monthly Community Service dance was held last night in the ballroom of the Tuesday Afternoon clubhouse, with over seventy-five couples in attendance. During the intermission, Miss Julia Kelley, pupil of Pearl Keller, delighted her audience with an Oriental dance. The music for the evening was furnished by Owen Fallon's Californians.

Mrs. Dorothy Morton Hastings, general chairman of the dance committee, announces the next dance will be held July 24. The patrons and patronesses for the dance were Mr. and Mrs. V. M. Hollister and Mr. and Mrs. A. H. Montgomery. The social committee included Mrs. L. M. Smith and Mrs. R. Ernest Tucker.

### Rodaire Social

Miss Henrietta Meek of 321 East Maple avenue was hostess Wednesday night to the members of the Rodaire club for their regular weekly social meeting. Miss Meek used a yellow and white color scheme in decorating the rooms for the occasion. The refreshment table was centered with a large bouquet of Shasta daisies and clever Japanese favors in yellow and white marked the guests' places.

The evening was devoted to an informal social time and at a late hour a two course luncheon was served.

The members entertained at their special guests Miss Myrtle Everett of Los Angeles, a former resident of Glendale, and Miss Dahl of Chicago, cousin of Miss Meek, who is visiting here.

Members present included Misses Eva Brehme, Zilda Cross, and Mesdames Ray Engle, Robert Godar, Paul McGowan, James McGowan, Herman Psenner.

The next meeting will be held Wednesday night, July 2, at the home of Miss Eva Brehme, 806 South Maryland avenue.

### Picnic in Canyon

The beauties of Sunset canyon were enjoyed yesterday by a company of thirty or more members and guests of the Maida and Young Matrons department of the Tuesday Afternoon club.

Leaving the clubhouse shortly before noon, the women motored to the Sunset Canyon Country club.

A picnic lunch was eaten under the live oak trees and during the afternoon games of bridge were played, swimming enjoyed in the pool and hikes taken about the canyon.

The menu of the noon luncheon was delicious and many compliments were paid Mrs. Edwin S. Dadds, general chairman, and Mrs. J. J. Campbell and Mrs. F. R. Gantley, her assistants.

### Wed at Pastor's

Miss Gladys Rogers, daughter of Mrs. Lulu Rogers of 133 West Magnolia avenue, and Conrad A. Lindstrom, son of Mrs. Mary Lindstrom, also of Glendale, were united in marriage Thursday morning, June 26, 1924, by Rev. E. E. Ford, pastor of the First Baptist church. The ceremony was performed at the home of the pastor, 326 Fairview avenue, at 11 o'clock.

Mrs. Mary Lindstrom and Mrs. Lulu Rogers were the only attendants.

### Auxiliary Meets

Mrs. W. S. Gamble of 125 West Los Feliz Road, was hostess yesterday afternoon to the members of the Letter Carriers auxiliary for an informal social afternoon.

Spring flowers were artistically used as decoration. The afternoon was devoted to sewing and cards. Later in the afternoon refreshments of ice cream and cake were served.

### Class Picnics

Over seventy members of the R. T. W. class of the First Baptist church and their families attended the annual class picnic yesterday afternoon, held at Brookside park, Pasadena. The afternoon was devoted to games, contests, races and a swimming party, followed by a picnic dinner at 6 o'clock.

### Announcement

Mr. and Mrs. C. J. Stevens of 509 North Valencia avenue, Burbank, wish to announce that their daughter, Miss Genevieve Stevens, and Allan Nicklin of Verdugo Woodlands will not be married on July 16, as previously announced.

### STATE SOCIETIES

Oklahoma picnic, Saturday, June 28, Sycamore Grove park, Los Angeles.

Texas picnic reunion, Saturday, June 28, Sycamore Grove park, Los Angeles.

Decatur and Macon County societies picnic, Saturday, June 28, Sycamore Grove park, Los Angeles.

Kansas Aggie picnic, Saturday afternoon and evening, June 28, Sycamore Grove park, Los Angeles.

Missouri picnic reunion, Sunday, June 29, Lincoln park, Los Angeles.

### Receive Friends

Mr. and Mrs. H. S. McCormack received yesterday afternoon at their home, 624 North Brand boulevard on the occasion of their nineteenth wedding anniversary. Their marriage took place in Binghamton, N. Y., Mrs. McCormack's former home, and yesterday a host of friends from Los Angeles, Glendale and other Southern California cities, were guests in their attractive Glendale home.

Wonderful California flowers, countless gifts and messages were received by the host and hostess. The feature of all this happiness was a beautiful grand piano, a gift from Mr. McCormack to his wife.

During the afternoon music by Catherine Jackson, Los Angeles harpist, was enjoyed. In addition to the charm of the home the guests found delight in the lovely garden and pergola.

Assisting were Mesdames Florence L. Huntington, Amy L. Jamieson, Ruth Woodruff Toal, Charlotte K. Busby, John H. Kline and Miss Charlotte Busby.

### Luncheon Hosts

Mr. and Mrs. J. R. Mitchell of 705 South Verdugo road entertained at their guests yesterday at 1 o'clock luncheon a number of friends, complimenting Mr. and Mrs. Clarence McKillip and two sons, Robert and John of Sheldon, Ia., who were spending a few weeks in southern California. The McKillip family were neighbors of the Mitchells when they made their home in Sheldon. Other guests were Mrs. H. A. Strong and daughter, Maurine, of 336 North Louise street and Marion Mitchell.

### Dancing Party

Miss Roberta Cullen, daughter of Mr. and Mrs. R. F. Cullen of 520 North Maryland avenue, entertained a group of friends last night with a dancing party at the Oakmont Country club. Those in the party included Misses Edna Stearnman, Louise Emerick, Betty McGee and Messrs. Darrell Elliott, Read Stearnman, Wallace Trau and Jack Grayson.

### Joint Hostesses

Misses Gladys Sharpe and Caroline Ainsworth were joint hostesses yesterday at a luncheon and three party in Los Angeles, complimenting Miss Lulu Woolridge, who is to be a summer bride.

### Initiate One

Mrs. J. L. Onstott of 622 North Cedar street was hostess Tuesday at an initiation ceremony of Chapter C. J. P. E. O. Mrs. Roger Bentley was the candidate for membership.

### Ill Health Is Held Cause of Girl's Act

LOS ANGELES, June 27.—Suffering from ill health caused by over-study, Martha Knicker, pretty University of Southern California student, shot and killed herself here while standing within a few feet of her mother and father.

### DEATHS - FUNERALS

**MRS. ROBERT H. BUNGAY**  
Friends of the Robert H. Bungay family of 122 West Lomita avenue are shocked over the sudden death Tuesday, June 24, 1924, of Mrs. Bungay at a Los Angeles hospital. Funeral services were held at 2 o'clock this afternoon in a chapel in Ocean Park, and interment took place in Woodlawn cemetery.

Mrs. Bungay had resided for over twenty-five years in California. For many years the family resided in Ocean Park, where they were prominently known. Three years ago they came to Glendale to live.

Surviving the deceased are her husband, Robert H. Bungay; two sons, Jack Edward and Robert H. Jr.; her parents, Mr. and Mrs. R. Stone of Ocean Park; three brothers, Henry, Fred and Roy of Ocean Park; and a sister, Mrs. Edith Schuler of Santa Monica.

### JAMES H. EWART

James H. Ewart died Thursday, June 26, 1924, at his home, 1147 East Lexington drive. He was born Nov. 8, 1870, in Missouri, and had lived in California nine years.

Surviving him are his widow, Alice M. Ewart; a daughter, Marion of Colfax, Wash.; a brother, Robert Ewart, of Long Beach; four sisters, Mrs. J. A. Perkins and Mrs. F. Kuhn of Colfax, Wash.; Mrs. A. Pickering of Berkeley and Mrs. William Davenport of San Francisco.

He was a member of Hiram lodge No. 21, F. and A. M. of Colfax, Wash. Funeral services are to be announced later by Kiefer & Eyerick. Friends are asked to omit flowers.

Funeral services will be held at 3 o'clock Monday afternoon in the Little Church of the Flowers in Forest Lawn Memorial park, under the auspices of Glendale lodge No. 544, F. and A. M. Kiefer & Eyerick, directors.

### GEORGE O. MATERER

George O. Materer died Wednesday, June 25, 1924, at 1209 East Lexington drive at the age of 75 years. Funeral services were held today at 3 o'clock in the chapel of the Jewel City Undertaking company. Cremation was to follow in Forest Lawn Memorial park.

## Chats On Beauty

By EDNA KENT FORBES

### HOW ABOUT YOUR SHOULDERS?

I do wish that some famous Paris dressmaker would revive the decollete of the eighteen sixties and the nineties, the dresses that were cut away only a little front and back, but that were cut straight across to show the entire outline of the shoulders, with a puff of a sleeve that only began some six inches down the arm. I wish it because then our young women would begin standing straight, and taking thought as to how much flesh they had to cover up a very bony part of the body. For it seems to me that almost all our young girls, except the athletic ones, have very thin, very undeveloped shoulders.

I can hear someone saying that it seems to her dresses are cut low enough these days to show quite as much of the shoulders as necessary and even a little bit more! Which may be true, but dressmakers are clever; they can cut away a gown in back half way more to the waist, but use a few wisps of tulle to hide the bony part of the shoulders. Even the ugly shoulder strap gown concealed the worst part of a hollow. But the "off the shoulder" dress, as someone called the style, conceals nothing. If it ever comes in, it means exercises and flesh building creams for the thin woman!

Why not begin now? Pretty shoulders are so attractive, and are possible unless you are very very much underweight. If you want my formula for an excellent flesh building cream, write me for it and I'll very gladly send it. It's not quite as fattening as cocoa butter warmed and rubbed on, but it's so much taster to handle that it's generally to be preferred. Massage with it ten minutes at night, and before the massage take ten minutes to do vigorous deep breathing exercises and arm exercises. You'll see an improvement after a week of such treatment.

Ester B.—Massage legs and ankles using cocoa butter to help fatten them.

## Personal Notes

M. M. M.—The rash that you get occasionally probably comes from some trouble with your digestive system, and as soon as the skin relieves the blood of the impurities you are all right until the next time you either eat something that disagrees with you, or eat too much.

Are you proud of your back?

Watch your diet and note what you ate previous to the different attacks. Strawberries sometimes disagree with one and cause such rashes, and tomatoes have been known to do it also, even though they are an excellent vegetable in the diet most of the time.

Tomorrow—A Useful Hint.

All inquiries addressed to Miss Forbes in care of the "Beauty Chats" department will be answered in these columns in their time. ## Church Choir Members

Repeat Musical Farce

A large crowd greeted the members of the choir of the First Methodist church last night when they presented the second performance of "The Singin' Skewl" at the church. Proceeds of the musical farce were added to the choir's pledge on the building fund. During the "dark period" between 8:30 and 9 o'clock, the play proceeded, with lighted candles placed around the stage.

Outstanding members of the cast last night included: Dorothy Pearl as "Vera Swift," Paul Butterfield as "Cy Furr," D. Paul Stuart as "Timothy Hay," Dr. P. O. Lucas as "Squire Grumps," Glenn Holberg as "Deacon Jones," and J. B. Clark as "Prof. P. Percival Pippin, A. M., D. M."

The policy of admitting only De Molays and Masons will be carried out as in the past. Invitations extended to neighboring chapters are expected to result in a large number of visiting couples. One of the best orchestras in Southern California has been secured to provide music for dancing. It is claimed. The hosts and hostesses will be Mr. and Mrs. J. S. Thompson, Mr. and Mrs. P. J. Prialux and Mr. and Mrs. D. L. Vance.

## Diseases traced to constipation are many

—get permanent relief with Kellogg's Bran

Why does constipation breed other diseases? Because it floods your system with dangerous poisons. And the longer you suffer, the more poisons accumulate. That is why constipation should be relieved at once.

Doctors recommend Kellogg's Bran, cooked and krumbled. They know it brings results because it is ALL bran. And only ALL bran can be 100 per cent effective in relieving constipation.

ALL bran—Kellogg's—sweeps, cleans and purifies the intestine. It acts as nature acts. It makes the intestine function naturally and regularly. If eaten regularly, it will bring permanent relief in the most chronic cases of constipation—is guaranteed.

Kellogg's Bran, cooked and krumbled, made in Battle Creek, is served in individual packages by the leading hotels and restaurants. Sold by all grocers.

### Glendale Is Praised At Odd Fellows' Meet

Glendale Odd Fellows held an enthusiastic meeting last night in their hall on West Broadway. Several visitors were present and, in brief talks, praised Glendale as a city of progress.

It was with regret that the resignation of Charles Pease, treasurer, was read. He is going to return to his old home. Mr. Rich was named his successor.

A social hour was held after the business meeting. It is announced that the charter for the Loyal Sons is fast filling and will close shortly. A meeting of all those desiring to join is to be held next Thursday night.

### Plumbers Gather for Picnic at Pasadena

Plumbing shops in Glendale, Burbank and Eagle Rock were closed today while the proprietors, employees, plumbers, helpers, their families and friends joined in a big picnic staged at Brookside park, Pasadena. The trip to the park was made in automobiles appropriately decorated with banners and stickers. A program of athletic events, including several baseball games, was on the schedule.

Included in the list of Glendale plumbers who assisted in the arrangements for the picnic are William Griffin, C. E. Mayo, R. L. Taylor, Robert T. Philip, J. F. Smith and C. B. Kahl. Burbank

### Urges Registration For Primary Election

Mrs. Sydney Dell, 928 North Louise street, deputy registrar, calls attention to the fact that the state primary elections will be held on August 26, and the registration will close thirty days before the date set for the election. Those who have moved since registering, Mrs. Dell says, must secure a transfer if they desire to vote in the primary election. Mrs. Dell is now registering voters here.

plumbers who looked after arrangements there were E. C. Stone, E. J. Allgire and L. D. Davidson.

### CLEVER PROGRAM AT CLUB BENEFIT

Sparkling Comedy Staged by  
Players, Music Numbers  
By Noted Singers

The Thursday Afternoon club of Glendale was particularly fortunate in the talent that was offered to make its benefit program Thursday night a great success.

Miss Hazel Campbell, who directs the Little Players studio, presented her adult students in a highly entertaining comedy called "The Neighbors," by Zona Gale. Additional numbers were given by her younger students and she was also assisted by Marguerite Cooper Powell, piano teacher at the studio, and Nelson Armbrust, a singer of note of Los Angeles.

Use Lamps, Candles  
The music numbers were put on during the comedy intermission, when the lights were off, but with forethought had provided for lighting with lamps and candles, and there was no delay in the entertainment.

"Mudder's Rose," an original sketch by Miss Campbell, was well presented by Adel Loyd and Marion Stadler. Irene Gieb and Adel Loyd, in costume, danced the Argentine Tango.

Nelson Armbrust of Los Angeles gave two delightful groups of songs, accompanied by Marguerite Cooper Powers, and Mrs. Powers gave a vocal number. Walter Randall, of Los Angeles, a guest at the Banquet, assisted during the intermission, playing popular airs on the flute, with piano accompaniment by Mrs. Hyde.

Comedy Is Feature  
The big feature of the evening, the one-act comedy, "The Neighbors," closed the program. Characters were as follows: Grandma, Dorothy Donnelly; Mrs. Diantha Abel, Irene Gieb; Ezra Williams, Lloyd Loyd; Peter, Ray Gieb; Inez, Adel Loyd; Mrs. Elmira Moran, Mrs. Loyd; Mrs. Trot, Beatrice Fear; Mrs. Caroline Ellsworth, Garnette Campbell. The characters were well sustained and the play a very creditable demonstration of Miss Campbell's ability as director.

Complete returns from the sale of tickets are not available but the proceeds will add a substantial sum to the club building fund.

### Will Display Prizes For July 4 Program

Prizes to be offered the children who win events at Patterson park the afternoon of July 4 will be on display next week in the window of the D. L. Gregg Hardware company at 107 North Brand boulevard, announces R. Ernest Tucker of Community Service, who is co-operating with the committee from the Glendale Merchants' association to make this event a big success for the young folks who stay at home over the holiday.

While the committee is obtaining donations of prizes from various merchants, Mr. Tucker states that any additional prizes residents wish to donate will be accepted.

The committee from the Glendale Merchants' association working with Mr. Tucker to arrange this patriotic program comprises Albert G. Cornwell, David L. Gregg and Walter P. Potter.

### Former Cleaner Again Opens Business Here

J. J. Claxton announces that he is again entering the cleaning, pressing and dyeing business at 111 North Maryland. Four years ago Mr. Claxton started the Brand Cleaning Works on South Brand boulevard, and after two years of successful operation Mr. Claxton was forced to sell out and enter some occupation which would take him outdoors, so, for two years, he was a member of the Glendale police force.

His many friends will be glad to know that he has again re-entered business for himself and as proprietor of the Vanity Cleaners and Dyers, on North Maryland, he will be equipped to handle all kinds of business of this nature. All new machinery has been installed and the general public is invited to call and inspect the new headquarters.

Mr. Claxton, although a young man, claims fourteen years of cleaning, pressing and dyeing experience, four of which have been in Glendale.

### Prisoner Will Face Charges In Oklahoma

Norman E. Hagle, who for three days has been held at police headquarters in order of the Guyton, Ok., authorities, on a felony charge, was yesterday afternoon turned over to Special Deputy O. L. Clark of that city, who arrived here to take his prisoner back. The specific charge is wife desertion.

### Whytock Leaves Today For Summer Abroad

Norman Whytock of 411 North Jackson street, principal of the Glendale Intermediate school, leaves tonight for a trip east and abroad. He will spend the summer traveling in Holland, Germany, England, Scotland and other foreign parts. It is his plan to return to Glendale for the fall opening of school.

## Trade In Northwest Show Slight Gains

ST. PAUL, June 27.—Trade in the northwest increased 10 per cent in the last week and compared favorably with the corresponding week of 1923. Bank clearings in twenty large cities showed a \$15,500,000 advance. Retail trade has been aided by warm weather and there has been a slightly better demand at wholesale for fall and winter goods.

Employment conditions in the twin cities are unusually good because of general building operations and paving and school construction by the municipalities.

## BRIEF DARKNESS ENSHROUDS CITY

### Half Hour's Enforced Saving Of Electricity Warns Entire Community

The 13,000 Glendale consumers of electricity now know that the order of the public service department to conserve kilowatts is imperative, is the way Superintendent Peter Diederich of the city light and water bureau sums up the psychological effect of last night's half hour of stygian dark, when from 8:30 to 9 o'clock switches were out on all but street lights, throughout the city.

A repetition of this "warning" will not be made, Mr. Diederich states, but the announcement that lights and power will be off from 10 o'clock at night until 9 o'clock in the morning, starting tomorrow night, Saturday, June 28, will be strictly adhered to.

**More Cuts Predicted**

This would effect the necessary 25 per cent saving, according to Mr. Diederich, were it not for the fact that many consumers will use more electricity at other times, as a result of this ruling. Hence it will be necessary to make further cuts, in the way of less and smaller lights in homes, curtailment of current in plants and a general reduction all along the line.

In short, it has been necessary to reduce the average daily consumption of 46,000 kilowatts by 10,000 kilowatts in order to avert the possibility of disaster later in the season, Mr. Diederich states. To date, Glendale has effected a saving of but one-sixth of what it will be necessary to save, he says, in order to keep within the limitations set by the Southern California Edison company.

**Menace to Business**

"Every unnecessary use of electricity is adding to the menace," says Mr. Diederich. "If the 25 per cent saving is not effected, payrolls will suffer when the Edison company pulls the plug, and business will bear the burden of what the people have brought on themselves, by their refusal to make the cut."

"I do not, however, believe it will come to this, as I have confidence that the people of Glendale are reasonable and can see the necessity for the conservation. When an impartial body like the State Railroad commission examines the situation and finds the Edison company is doing everything it can to meet the situation, we are bound to accept their verdict. They have declared that the situation is fraught with danger, and it behooves every consumer of electricity in Glendale to heed the handwriting on the wall and make a little sacrifice now—rather than be forced to make a big one later, perhaps too late."

## Republicans to Form 61st District Club

Plans for the organization of the Sixty-first Assembly District Republican club will be made at the meeting that is to be held tonight at the John Robert White, Jr., home at 347 North Orange street, at 8 o'clock.

The club will endorse the candidacy of Calvin Coolidge for President; of Walter F. Lineberger for re-election to congress from the Ninth District, and of Frank C. Weller for re-election to the state assembly from the Sixty-first district.

All Republicans are urged to attend the meeting.

## Eastern Berry Crops Exceed Previous Year

WILMINGTON, Del., June 27.—Shipments of strawberries from Delaware are about ended and the total will be about two million quarts more than last year. New Jersey is now shipping and the Jersey berries will be followed by the Pennsylvania and New York crops which are in good condition.

## SCHOOL TEACHER BECOMES BRIDE

### Miss Dora Vincent Marries Bakersfield Educator at Home Ceremony

News has been received in Glendale of the marriage Wednesday noon, June 25, 1924, of Miss Dora Vincent, mathematics teacher in the Glendale Union High School, to Axel Peterson of Bakersfield. The ceremony was performed by Dr. Edward Campbell at the bride's home, 4209 Burns avenue, Los Angeles, before a company of twenty-five friends.

Following the ceremony a bridal luncheon was served with the bride's mother, Mrs. Josephine Benson, as hostess at a popular tea room.

**List of Guests**

The wedding company included Mrs. Clara Brees, Mr. and Mrs. Harry Berg, Dr. and Mrs. Edward Campbell, Mrs. Mary Creath, Mr. and Mrs. Carl Harvey, Miss Emma Hendrick, Miss Alberta Johnson, Miss Dorothy Von Osdlor, Mr. and Mrs. F. F. Hall, Miss Ellen Hansen, Mr. and Mrs. G. S. Krentzner, Leslie and Melvin Krentzner, Mrs. Clara Thorne, Miss Mabel Thorne, Mrs. Josephine Benson.

Mr. and Mrs. Peterson have left for a motor trip east and will return in the fall to reside in Bakersfield, where he is engaged in the teaching profession.

## Talk Municipal Plant At Kiwanis Luncheon

(Continued from page 1)

of Pasadena and instrumental in securing a municipal plant for that city, told the members of the club the fight Pasadena officials had on their hands when the municipal plant was first mentioned. The rate dropped from 20 cents a kilowatt hour to a low as four cents before the plant was completed and operated, he said, and today the city is getting such a low rate on electricity that it finds it cheaper to buy power and let their municipal plant remain idle, thus saving as high as \$150 a day.

Henry Hall said he was in favor of the hospitals having light and power, even if the rest of the city had to remain in darkness. Speaking on the matter of electricity for hospitals, Dr. T. C. Young, acting president of the club in the absence of President A. L. Baird, said every night this week there had been from three to five occasions when the X-ray machine had to be used between the hours of 10 p. m. and 1 a. m., and each case required immediate attention to save a life.

### Funds For Children

E. F. Sanders spoke briefly on the conditions at the present time and urged the members of the club to join in the movement to support the power and light conservation to enable Glendale's industries to continue to operate. Ed N. Radke suggested earlier opening and closing for all business houses as a means of saving light.

Members of the club donated \$51.56 after an address had been made by Ed Radke, chairman of the club's underprivileged child committee, on the need of funds to carry on the work. Part of the amount collected will be used in sending a youth to the summer camp of the Y. M. C. A., another part will be used in buying clothing and shoes for a little boy who was present at the meeting, while the balance will form the basis of a permanent fund for this committee's work.

### No Meeting July 4

The members voted to do away with the regular meeting next Friday on account of the meeting falling on a holiday. The attendance prize, donated by T. L. Totman, was won by J. K. Russell, a Kiwanian of Van Nuys attending the meeting. Special prizes donated by Bert Perry were won by E. F. Sanders and Dr. R. W. Sherman.

William Bode furnished the music for the meeting, while Dr. Jack Anderson and Park Arnold led the singing. Short addresses were made by Guy H. Gibbs and C. J. Hatz.

## Civic Organizations To Plan Improvement

TUJUNGA, June 27.—The Sunland Chamber of Commerce will be host Monday, June 30, to the officers and directors of the civic organizations of Tujunga Valley Center and Sunland, at Monte Vista park. Sunland. The organizations are scheduled to further take up plans for the establishment of a central committee representing all three communities to handle affairs of common interest to the district. Light refreshments will be served by the Sunland Chamber.

## Glendale Merchant Weds Wisconsin Girl

Announcement is made of the wedding of Serena M. Crummeys of Antigo, Wis., and Frank F. Kratchy of Glendale, Wednesday morning, June 25, 1924, in Los Angeles.

Mr. and Mrs. Kratchy are to reside at 820 South Mariposa street. Mr. Kratchy conducts a shoe shop on South Glendale avenue.

Miss Marie Lyon and Richard Hopper attended the ceremony.

## LEGION TO HOLD YEARLY FESTIVAL

### Program Committee Working On Entertainments for September Event

TUJUNGA, June 27.—A committee composed of P. J. Desjardins, A. J. Scribner and W. B. Anderson of Post 250, American Legion, has been appointed to begin making plans for the annual Moon Festival of the Tujungans, to be held in September. This committee will meet every Tuesday night.

The coming festival is being planned earlier than usual in order to secure the best entertainment possible. Heretofore the entertainment features have consisted mostly of concessions, but this year the Legionnaires plan to offer vaudeville and other regular festival features.

Among the headline attractions will be a king and queen contest. To the girl who wins the queen's crown will be given a diamond ring, while the king will receive a \$50 gold watch.

John Steven McGroarty has been elected to crown the winning contestants and bestow the title of "Big Chief of the Tujungans" upon the king and "Queen of the Verdugos" on the girl.

## Delegate Reports on Optimist Convention

Peter Hanson, delegate to the recent convention of Optimist International in Milwaukee, Wis., today told his fellow members of the local chapter a few of the many interesting things that occurred there, at the regular weekly luncheon meeting in the Harriett Mae tea room on East Harvard street.

It was the jolliest convention he ever attended, Mr. Hanson said. He praised the playgrounds so liberally provided for the children back east but said business conditions generally were bad and that throughout the trip which he and Mrs. Hanson took, rain and storms were an almost daily occurrence.

Returning from Milwaukee to Glendale, they missed a bad railroad wreck, he said, by taking an earlier train than they had originally planned. Washington, D. C., and New York were among the cities visited. Mr. Hanson said the delegates of the Glendale Realty board to the national convention held in the former city.

## Petitions to Council for Municipal Plant

(Continued from page 1)

the necessary amount of light and power, that the cost thereof will be far less than what the citizens are now paying to the Southern California Edison company. Other nearby municipalities who have established a plant of this kind have proven by experience that such a plant can be operated at a profit.

"We further agree as citizens signing the said petition to use all our influence toward having a bond issue put over to meet the cost of said plant."

## Grocery Store Sold In Verdugo City Deal

VERDUGO CITY, June 27.—Harry Hobensack and H. N. Fowler of this city have purchased the grocery store belonging to C. H. Woolley, located at Honolulu avenue and Los Angeles street. Mr. Hobensack was formerly in charge of a market in Glendale.

Mr. and Mrs. Woolley plan to make an automobile tour east that will extend over several months.

## AVIATOR FATALLY HURT

### Adjourns After Seven Hours Of Oratory; May Bailot Tomorrow Morning

(Continued from page 1)

New York attorney and two other men" called on Upshaw twice and promised to "deliver him the vice-presidency if he would desert the McAdoo banner and assist in lining up the southern delegations for Smith."

### Shocked, He Says

The trio assured Upshaw they represented "prominent business influences in New York and had ample funds," Stephens said.

Upshaw was "shocked" by the affair, Stephens said, and informed his callers "there were not enough voters or dollars in New York or other eastern states to make him change his principles."

Stephens said the three men said they were attracted to Upshaw because of his known "dry position," and were anxious to have him the running mate for Smith.

### Committee in Row

Cordell Hull, chairman of the Democratic National committee, was called into conference late today to help break the deadlock in the resolutions committee over the platform.

Hull came to the committee room where there is a bitter fight over the league and Klan planks and conferred with Homer S. Cummings of Connecticut, chairman, and William Jennings Bryan.

### Ready for Balloting

Cummings told Hull the committee could not prepare its report before tomorrow morning and suggested that the convention start balloting for the presidential nominee tonight and that the resolutions committee would break in with the platform at 9 o'clock tomorrow and interrupt the balloting. Bryan echoed Cummings' statement.

Hull assured both Cummings and Bryan that he would ask the convention to start voting tonight. He then left hurriedly again for Madison Square hotel, where the resolutions committee is meeting.

In a private conference with Bryan, Cummings also suggested as a means to speed up the committee's activities that the opposing factions on the Klan and league be given an hour apiece to present their views and then allow the committee to come forward with the actual work of putting the platform into final form for presentation.

## Wholesale Prices on Flour Are Advanced

SEATTLE, Wash., June 27.—All north Pacific coast flour mills have raised the price of all grades of flour at wholesale from 6 to 8 per cent and further advances are anticipated, owing to the strength of wheat. The price for best milling wheat is \$1.28 a bushel.

## American Swordsmen Beat Holland's Team

PARIS, June 27.—The United States fencing team defeated Holland in the Olympic matches today by ten victories to six. Holland had been beaten earlier in the day by Argentina.

## DOG IS DEFENDANT

SAN BERNARDINO, June 27.—This city has filed suit against Fido—just a plain, average dog belonging to William Zelias. It is alleged the pooch is a nuisance and should be abated. And all because Fido was so indiscreet as to bite several people.

## MUST BOIL WATER

UPLAND, June 27.—Householders in this district have been warned to boil all water used for drinking because bacteriological tests prove it to be impure. It will be treated with liquid chloride in San Antonio canyon, its source, as soon as arrangements can be made.

## WOMEN ARE DRENCHED

CORONA, June 27.—Demonstration of a new fire engine here in front of Emerson's store resulted disastrously for several women shoppers. Four men were at the nozzle of the hose when the full power of the motor equipment was unleashed. They couldn't hold 'er, as the comics say. As a result the stream drenched the women to the skin and they hurried home, madder'n wet hens.

## BANS FIREWORKS

RIVERSIDE, June 27.—Fred Jeken, supervisor of the San Bernardino forest reserve, warns campers not to take fireworks with them into the hills on the Fourth of July. A combination of climatic factors makes any sort of a conflagration most serious this year, he advises.

## HUNTING RESORT

SAN PEDRO, June 27.—Palmito del Verdes island, off the coast of Mexico, has been purchased by Captain D. W. Callaghan with the object of making it a resort for hunters and fishermen. Wild turkeys, ducks and quail abound among the game, while eight varieties of fish are to be found there, too. Deer, leopards and wild boar will provide sport for the big game hunter, Callaghan avers.

Reorganized Water  
Company Sells Stock

LA CRESCENTA, June 27.—Stock in the Mountain Water company is being offered for sale here. The Mountain Water company is a new organization that was formed through the consolidation of the La Crescenta and Dunsuir Canyon Water companies, which has received the approval of state authorities.

Par value of the shares in the Mountain Water company is \$50. One share entitles the owner to 5000 gallons of water per month at the minimum rate of \$1. No dividends will be paid, as the company is organized on a non-profit basis.

Surveyors Planning  
For Street Widening

VERDUGO CITY, June 27.—County surveyors are now preparing maps and right of way deeds for the proposed project of widening Honolulu avenue. Telephone and electric line poles are being moved back to the new property line. Several property owners have agreed to give an additional twelve feet of frontage to hasten the improvement. When the necessary deeds are secured Honolulu avenue will be widened to ninety feet.

Bible School Enrolls  
Pupils for Summer

LA CRESCENTA, June 27.—The summer Bible school being conducted in the La Crescenta Community church has to date an enrollment of fifty pupils. The idea has proven very popular with the parents as the school accepts pupils up to 12 years.

Mrs. C. W. Angier, Mrs. W. Stine, Mrs. A. Burt and Mrs. G. Ewer are teaching the children. The first hour and a half is devoted to the study of Bible stories, then comes singing class and the remainder of the period is given to school work.

Battleships Start on  
Annual Summer Cruise

LOS ANGELES, June 27.—Six battleships of the Pacific fleet are today speeding for their annual cruise in northern waters.

When the Farrallone islands, off San Francisco, are reached, the six men-of-war and twenty-five destroyers will separate, going to various ports until July 4.

Orchestra Rehearsal  
Is Held by Lamplight

The Glendale Community Symphony orchestra rehearsed last night at the Patterson Avenue park and reports state that the sounding board of the bandstand proved most satisfactory. A gasoline lantern was used to provide light and no inconvenience was experienced because of the curtailment of electricity.

COMMENT  
That's AllOur Clever Children  
The Poetry Of Motion  
Where Americans Lag  
Credit To Community

By Gil A. Cowan

Passing up politics and the power problem and other vexatious matters for the day, a few paragraphs will be devoted to Glendale's talented children. The thought was called to mind by the performance of Pearl Keller's pupils before the Rotary club yesterday noon.

And let it be said that Mrs. Keller is to be commended for the talent which she has brought forth, also the skillful training of the boys and girls who have come under her capable tutelage.

It is a work for which she seems admirably fitted.

First of all, dancing and physical culture are almost essentials in the life of the city dweller's progeny. For, if anything will reduce the toll of traffic, in the belief of the writer, it is the ability of people to use their feet and their heads at the same time.

Agility also bespeaks grace and poise and character. The discipline needed to do dance steps is equal to that needed in mastering geometry.

Good dancers should make good scholars, methinks.

A second consideration in children learning to dance is the poetry of motion which is innate with us all, but seldom developed. A mere gesture sometimes speaks more than could be written in a column.

There is something for reflection in the poetry of motion, also. Take, for instance, the Oriental fantasy presented by Julia Pelley, a beautiful and lithesome miss in her early teens. The graceful sprightliness of supple limbs swaying to the synchronized undulations of music carries one completely away in a reverie seldom seen in America.

Indeed, it is so different from the jazz shimmy of Gilda Gray and other exponents of modernity that there is no comparison.

Nor is there comparison for John Blade's Russian steps with the "hoe down" clog dancing you see at almost every vaudeville show.

And a type of dancing more Californians should know and admire is that of sunny Spain such as Cecilia Mae Fisher performed for the Rotarians. It has all of the life and luxury one would require, all the pep and high kicks any chorus could desire, but it is difficult to master perhaps.

Americans do not stop nowadays to learn things well with the result that Russians and Britons and Austrians come to this country as exponents of really difficult dancing.

It is well that Glendale children are getting the opportunity to learn something different.

And one of the really capricious dances, if it is made so, is the Highland fling. Little Eleanor Marek delighted her little friends with a droll Geraldine Kelleher in a comical number called a Mirror dance.

But more humanly interesting to the writer was the recitation by Katherine Bruner. It has been a long time since we heard a little girl recite quite so well. And Elizabeth Hoffman was a little dandy singing and dancing "I'll Hop, Skip and Jump Into My Mamma's Arms."

Such cleverness—it is worthy of commendation. We read columns of the accomplishments of the bad boys and girls, but here's to the talents of those who entertain a sedate group of business men resting a few minutes from the daily toil.

Yes, here's to the will-o-wisps of fairyland who are a joy and credit to their community, their teachers and their parents.

Thanks to Paul Carson for presenting such a program.

Methodists to Picnic  
At Monte Vista Park

A jolly procession is to move through the streets of Glendale Saturday afternoon, when Methodist church people leave by motor for Monte Vista park for their automobile picnic. The parade will be decorated in bright banners and bearing old and young will leave the church at 1:15 o'clock. Headed by the Sunday school orchestra the parade will move through the business section and then on out to the park. Eats are to be provided and will be served in old-fashioned family picnic style.

Prayer Services for  
Afflicted at Church

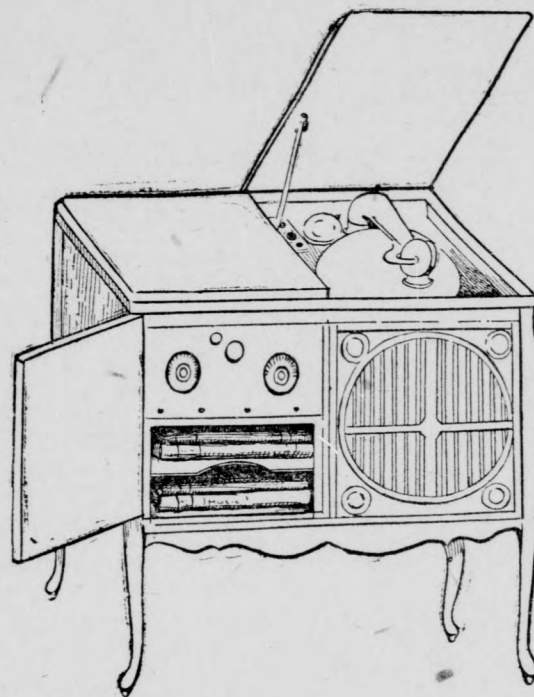

Dr. Lillian Yeomans, a medical graduate of the University of Michigan, at Ann Arbor, will speak Sunday night at 7:30 o'clock at the Bethel church, 633 East Colorado street. Dr. Yeomans will tell of her release from the drug habit, and will also hold a special prayer service for the sick and afflicted.

Weather Main Factor  
In Northwest Trade

ST. PAUL, June 27.—Northwest trade conditions are good basically, but immediate trade impulses are waiting on the weather. Favorable weather until about July 15 is necessary to assure large crops in this section and encourage farmers' buying. There has been a slight slackening of railroad shop work, track construction and mining, but the demand for men on the farms is absorbing the spare labor released. Retail trade in St. Paul, Minneapolis and Duluth has improved with warmer weather. Gasoline prices are on the downward path, owing to co-operative selling by automobilists. The prevailing price at filling stations in the northwest now is 18 cents.

Circulate Petitions  
In Gas Tax Division

Petitions are being circulated in Glendale relative to the initiative measure on division of the motor vehicle and gasoline taxes, which is to be submitted directly to the electors at the general election if the required number of signatures is secured.

Wealthy Man Steals  
Kiss, Pays \$500 Fine

SAN FRANCISCO, June 27.—Five hundred dollars for a stolen kiss! That is what William Flynn, wealthy apartment house owner of the Mission district, must pay for having stolen a single kiss from the cheek of Mrs. Edith Runstadler, according to a decree rendered by Judge Timothy Fitzpatrick, after hearing Mrs. Runstadler's account of the stolen kiss. Mrs. Runstadler, in telling her story declared it occurred in 1922, when Flynn, her landlord, came to her residence to repair window shades.

Board Adds Three to  
High School Faculty

Three new teachers for next year were accepted by the high school board of trustees at its meeting last night, making a total of sixteen new instructors signed for the opening of the fall term. Five of these will fill vacancies in the staff so that the increase in the size of the faculty to date is eleven. Several more vacancies are yet to be filled, according to Principal George U. Moyse.

Those accepted last night were Miss Lydia Meyers, formerly of Visalia, who will teach mathematics and sciences; Miss E. Beulah Tugendreich, who taught in the Alhambra High school and will take up work in the commercial department here; and Miss Marie Hobermann, who has been filling a vacancy during the latter part of this year. Several other candidates were met and discussed.

Detailed work in regard to securing extra clerical help and the signing of reports pertaining to the close of the school year was gone through. Communications included a letter from the Pasadena board of education asking that Mr. Moyse and a member of the board meet with them tomorrow afternoon for a discussion of school problems. A. W. Tower was absent on account of illness. The budget will be presented at a luncheon meeting of the trustees to be held in Los Angeles on Monday, June 30, according to present plans.

Warrens Will Visit  
Home of Giant Trees

E. G. Warren, realty broker of 309 1/2 South Brand boulevard, and Mrs. Warren left Tuesday for a trip north into the big tree district of the U. S. Grant and Sequoia National parks.

Mrs. Warren is to go on from Fresno to San Francisco for visits with friends. Mr. Warren and son, Manly, will spend two weeks in the mountains looking over possible sites for a camping and hunting resort.

Reports from them state that after leaving Glendale at 4 o'clock Tuesday morning they covered 220 miles to Selma in their sedan in six hours.

During Mr. Warren's absence his son, Gould H. Warren, is in charge of his offices and business. Dwayne, young son of the Warrens, is with the Boy Scouts in camp at Catalina.

Elks Call Off Dance  
To Aid Power Saving

The dance that was to have been held at the Elks' lodge Saturday night, June 28, has been cancelled by reason of the order issued from the public service department, cutting off electricity from 10 o'clock at night until 5 o'clock the next morning commencing tomorrow. The announcement that this dance has been cancelled is made by Albert Cawood of the Elks' committee on arrangements.

The first automobile race recorded was in 1895.

Surplus Oil Stocks  
In State Increasing

SAN FRANCISCO, June 27.—Despite continued decreases in production, California oil supplies are increasing. May production amounted to 19,833,576 barrels, an average of 639,793 barrels a day, or 3535 barrels daily less than in the previous month. Surplus stocks increased during the month by 2,176,286 barrels, making the total surplus now on hand 99,511,937 barrels. Long Beach continues to lead the other California fields in May with an output of 5,172,472 barrels.

Renewed drilling operations and the release of shut-in production in the Midway-Sunset field put that section in second place, but Santa Fe Springs fell off. There are now 514 new wells in process of drilling and 112 new derricks are being erected. Of these operations the new Torrance field leads with 140 new wells under way.

Reports Prune Market  
Slow But Sales Heavy

SAN FRANCISCO, June 27.—The California Apricot Growers' association sold 4,248,000 pounds of prunes up to June 1, compared with 1,170,000 pounds last year, but the carry over is heavy and the present market stagnant. They blame the slump on the Oregon and Washington growers for having dumped large supplies on the market.

Labor Abundant in  
State's Farm Regions

SACRAMENTO, June 27.—Labor in California this season will be abundant, particularly in agricultural districts, according to a report issued today by R. L. Adams, professor of farm management in the University of California college of agriculture.

In such counties as Alameda, Butte, Fresno, Kings, Los Angeles, Solano and Napa, the labor supply is in excess of the demand, with wages showing a downward tendency.

SACRAMENTO, June 27.—Total coal production in Colorado to June 1, was 4,397,567 tons, an increase of 124,035 tons over 1923.

Warn Public Against  
Contaminated Water

SACRAMENTO, June 27.—Confronted with increasing scarcity of water from public and private sources during the summer, the state board of health today issued warnings to the public against the use of water in danger of contamination.

The board also stressed the danger of pollution of water from leaky drains or sewers close to the source of supply and declared that two recent outbreaks of typhoid fever in Southern California have been traced to this cause.

# LOTS OF ACTION PROMISED SUNDAY

## Van Nuys Bringing Bunch of Rooters to Cheer Team In Sox Battle

It's going to be a whirlwind of a game—that battle between the Glendale White Sox and the Van Nuys team at the San Fernando park next Sunday—according to the latest dope drifting in from the valley town. Van Nuys, former semi-pro champs of Southern California, and going strong this season, will bring carload after carload of rooters along to back up the team, while the Van Nuys players have but one ambition in life—to stop the winning streak of the White Sox.

On the other hand, Carl Sawyer and his crowd of pale horse wearers, will battle just as strong, and perhaps a little stronger, to show the Van Nuys team the White Sox are not to be trifled with, and to make Sunday's game consecutive victory No. 20.

Reiger to pitch.

Reiger will be on the mound for the local team Sunday, Frank Kerwin has announced. The White Sox team will be the same aggregation which has been playing high-class ball for the last few months, with Sullivan behind the bat, Shenfeld on first, Sawyer at second, Horigoven at short, Shields at third, and Young, Dorman and Orsatt in the outer gardens.

Kerwin is again inviting the whole world and all others who come to be present at the ball game. The fences have been removed so there will be no restrictions regarding parking your automobile around the outfield if you wish. The usual admission charge for the grandstand will be made, but the rest of the park is like California sunshine—without charge.

While the Sox are meeting the Van Nuys aggregation here, the Pasadena Merchants will be playing El Segundo at the latter's diamond, for second place in the Summer league. The Gilmore Oilers will take a sea trip and meet the Catalina club, while the Colored All-Stars will journey to Oxnard.

## Radio Gassers Defeat Harris & Hull Team

The Radio Gassers took two of the three games played last night in their match with the Harris & Hull quintet, but they had to shoot over 1000 in the last game to do it. Eight of the ten men on both teams turned in a score of 200 or better. McCoy was high man with 231.

## Langford Given Job For Life by Howard

CHICAGO, June 27.—No longer will Sam Langford, the Boston T. Baby, have to worry about the next suit, or even the next meal, for Sam has a job for life. Kid Howard, who formerly managed Langford, has engaged the former heavyweight terror as a boxing instructor in the Howard gymnasium here.

Langford, who underwent an operation in New York which restored the sight of one eye, after loyal fight fans in Los Angeles raised sufficient funds for his trip eastward and necessary expenses.

## Twilight Schedule To Be Worked Out July 2

The managers of the baseball clubs in the Community Twilight Baseball league will meet next Wednesday night, July 2, at the office of the Community Service to work out a summer schedule. The season will start July 7, and games are to be limited to five innings and start at 6 p. m. More teams in the league are desired, R. Ernest Tucker of Community Service has announced.

## TAGGING THE BASES

The Senators retained their lead in the American league pennant race when they broke even in a double-header with the Athletics, while the Tigers, in second place, remained idle. The Yankees dropped their sixth straight slide into fourth place, the Red Sox being third.

The Cardinals won a hard fought struggle from the Reds in the tenth, 2 to 1.

After the White Sox had tied in the ninth, the Indians staged a rally in the tenth, crashed out three runs and won, 7 to 4.

Venice is to have a memorial to British soldiers, sailors and airmen who lost their lives in Italy during the World war.

# Championship Won By U. S. Rifle Team In Olympic Match

CHALONS, France, June 27.—The United States rifle team today won the Olympic games championship in the shooting matches. The Americans' total score was 675.

Other scores were: Haiti, 646; France, 644; Switzerland, 633; Finland, 629; Denmark, 625, and Sweden, 623. Seventeen nations competed.

Other bouts are: Frankie Osner and Joe Medina, 128 pounds; Joe Burns and Pico Ramies, 122 pounds; Scotty Diest and Red Williams, 150 pounds; Joe Banda and Jack Hester, for the opening bout.

## Tunney Is In Line for Dempsey Match, Claim

NEW YORK, June 27.—Gene Tunney's friends down in Greenwich village, are claiming that light heavyweight champion soon will be in line for a bout with Jack Dempsey.

Tunney's showing last night at the Milk Fund bouts, when he stopped Erminio Spalla, the Italian heavyweight, in the seventh round, a feat which Luis Firpo required fourteen rounds to perform—has given the villagers this confidence in their idol.

# TIGERS IN THIRD DEFEAT BEAVERS

British Open Championship Falls to U. S. Golfer In Hard Contest

HOY LAKE, England, June 27.—Walter Hagen of New York, American professional golfer, this afternoon won the British open championship in the shooting matches. The Americans' total score was 675.

## Old Timers to Gather Tonight at Hollywood

Tonight will be "old timers" night at the Hollywood American Legion arena, when "Gentleman Jim" Corbett, Sally Smith, Tom Sharkey, Tommy Ryan, Billy Papke, Jim and Jack Jeffries, and Wolfgang, Uncle Tom Carey, De Witt Van Court and Kid McCoy will be present, and all will be introduced from the ring.

For the main bout Teddy Silva and George Rivers have been signed up. Al Grunman and Johnny Jordan, 135-pounders, will furnish the semi-windup exhibition. Sailor Vincent and Harry Ritzer, 150-pounders, meet in the special spot. Other bouts are: Frankie Osner and Joe Medina, 128 pounds; Joe Burns and Pico Ramies, 122 pounds; Scotty Diest and Red Williams, 150 pounds; Joe Banda and Jack Hester, for the opening bout.

## Tunney Is In Line for Dempsey Match, Claim

NEW YORK, June 27.—Gene Tunney's friends down in Greenwich village, are claiming that light heavyweight champion soon will be in line for a bout with Jack Dempsey.

Tunney's showing last night at the Milk Fund bouts, when he stopped Erminio Spalla, the Italian heavyweight, in the seventh round, a feat which Luis Firpo required fourteen rounds to perform—has given the villagers this confidence in their idol.

Consumption of electricity has almost tripled in the United States in the last three years.

## UNIQUE PROGRAM AT CLUB DINNER

Clever Entertainment Will  
Be Held Saturday on  
Oakmont Terrace

The Saturday night dinner hour  
at the Oakmont Country club  
promises something unique, ac-  
cording to the program as an-  
nounced by Mrs. Max Lynn Green,  
who has had full charge of its  
arrangement.

As previously made known in  
The Glendale Evening News a  
buffet dinner will be served be-  
ginning at 6:30 o'clock on the  
terrace in front of the club-  
house.

During the dinner hour the  
program will be presented on the  
clubhouse porch. In order that  
all may enjoy the program and  
because of the curtailment of  
electricity Mrs. Green urges all  
those attending to be there as  
early as possible.

**Special Numbers**  
The program will include: re-  
citations by Howard Kent; vocal  
selections by Olaf Andresen;  
dance by Mrs. Marvin Smith;  
vocal solos by Mrs. George  
Seaton; chorus of girls led by  
Lois Naudain in a club parody  
on "From One Till Two," Flo-  
rence Ratray, Caroline Ayars,  
Grace McCluskey, Roberta Cullen,  
Margaret Brown, Katherine Gut-  
rie and Helen Boyd; piano solos  
by Mrs. George Lindsey; dance by  
Lois Naudain; skit, "Please Pass  
the Cream" by George Farmer  
and Marjorie Temple.

Miss Beulah Dunbar is to serve  
as accompanist. Arthur Dibern  
will announce the program.

During the evening a prominent  
member of the club will give  
palmyristry demonstrations.

## Air Mail Calls for Higher Postage Rate

"I am convinced that residents  
of Glendale read The Glendale  
Evening News," Postmaster D.  
Ripley Jackson said today, "for  
letters marked 'for air mail ser-  
vice' have been pouring into the  
office ever since the story of the  
new schedule appeared yesterday."

"However, persons mailing  
many of these letters fail to note  
the postage rate necessary to have  
letters sent by airplane. Special  
airplane mail service stamps must  
be affixed, or if ordinary stamps  
are used, the envelope must be  
marked 'via air mail,' and the  
postage must be 8 cents an ounce  
for points west of Cheyenne; 16  
cents for points west of and in-  
cluding Chicago, and 24 cents for  
points east of Chicago. Letters  
will be sent in the regular way if  
they have only 2-cent stamps on  
them. The new schedule is not  
effective until July 1."

## FIRE DEPARTMENT VALUE INCREASED

Metropolitan Improvements  
Being Made; Drill Tower  
Adds to Efficiency

Many and varied improvements,  
metropolitan in character, are  
being made in the Glendale fire  
department, which are designed  
to bring that branch of the divi-  
sion of public safety to a high  
standard of excellence, according  
to Fire Chief A. H. Lankford.  
With the construction of the drill  
tower, it is now possible to drill  
the firemen in the latest modern  
methods of fighting house fires  
and to prepare them to cope with  
fire conditions that might arise  
in any of Glendale's newly-risen  
"skyscrapers."

Through the courtesy of Chief  
Engineer R. J. Scott of the Los  
Angeles fire department, Drill  
Master Moniot has been given an  
intensive training course under  
the tutelage of Captain W. W.  
Tibbels, one of the foremost drill  
masters on the coast, and is now  
transmitting to the local firemen  
the most improved methods for  
the efficient control of any fire  
situation that might arise in Glen-  
dale, Chief Lankford said.

**Courses of Value**  
First aid drills, smoke helmet  
drills and anatomy courses are  
being given to such as the Argo-  
naunt mine disaster and others.

Rope sliding, the life belt, life  
net, and all appliances used in the  
rescuing of people from burning  
buildings are being used on the  
drill tower, and the few men who  
have not had previous tower  
training are rapidly becoming ef-  
ficient in "doing their stuff" at  
eighty feet above the ground.  
Drills are held at the tower four  
days a week, from 8 a. m. to  
noon.

**Better Cooperation**  
The grass fire hazard has been  
given especial attention this year  
with the result that, instead of  
showing an increase of from 30  
to 100 per cent in fires, as in  
previous years, the number of  
runs has been kept below last  
year's figures. Better co-opera-  
tion from the public has been, in  
the main, responsible for this  
showing, but, notwithstanding  
this, there are still a large num-  
ber of lots that are bad fire haz-  
ards. In some cases the owners  
are non-resident and hard to get  
in touch with, but wherever it is  
possible they are notified, and in  
the majority of cases respond  
promptly to the notification. The  
grass fire is a common thing  
and there is nothing heroic or  
spectacular in fighting it, yet it  
is one of the grave menaces we  
have in the city of Glendale, and  
every means should be employed  
to eliminate this evil."

## Urge More Parks and Pools for Glendale

Members of the Glendale Ad-  
vancement association, at the  
meeting held yesterday at the  
Harriett Mae Tea Room, took a  
solid stand in favor of more parks  
and swimming pools for Glendale  
when Dr. Jessie Russell, a mem-  
ber of the city park commission,  
reported more than 150 children  
were being turned away from the  
swimming pool at Patterson park  
daily, on account of lack of room.  
R. M. Brown reported on the  
organization of the citizens' bond  
committee, as he represents the  
association on that committee.  
President C. W. Ingledue pre-  
sided at the meeting. Henry  
Jaacke suggested that the pro-  
posed celebration for the com-  
pletion of the paving on Glendale  
avenue be postponed indefinitely.  
J. F. McClish spoke on the need  
of parks in the city and the lack  
of public interest in civic im-  
provement in general.

## California Grays to Honor Glendale Man

Lieutenant-Colonel Henry R.  
Richmond, whose family reside  
in Glendale, will be the guest of  
honor of the California Grays, Los  
Angeles company, Monday night  
when he inspects the company at  
its headquarters, 1343 Gordon  
street, Hollywood. Colonel Rich-  
mond returned to his home in  
Glendale recently from Fort Riley  
to spend the summer before go-  
ing to Fort Leavenworth and  
from there to the war college.  
Glendale is represented in the new  
organization by First Lieutenant  
Bert Scouler and Quartermaster  
Ted Bayntun.
